

Funeral Rites Tomorrow For Crossing Victim

A verdict of accidental death was returned by a Cook county coroner's jury yesterday at the inquest held in the case of Emil Dettmering, Sr., 54, of Matteson who was killed Tuesday, April 24, in a train-truck collision on the Central ave. crossing of the E&W railroad. The inquest was held at the Spindler-Koelling funeral home in Chicago Heights.

Central is between Cicero and Harlem avenues and the rail crossing where the accident occurred is said to be approximately a mile and a half north of the Sauk trail.

Mr. Dettmering, who operated a farm, also did some hauling, and was enroute to truck some grain when the accident occurred. The accident happened about 7:45 o'clock, about half a mile from the Dettmering home.

Members of the train crew—it was an engine and caboose traveling west—said that Mr. Dettmering was driving north at moderate speed. Apparently he did not see or hear the train in time to avoid the collision. The truck was carried about 300 feet along the right of way. Mr. Dettmering was thrown out of the vehicle about 150 feet west of the crossing. He was taken to St. James hospital, Chicago Heights, and pronounced dead on arrival.

Mr. Dettmering was quite active in Immanuel Lutheran church of Matteson, and was chairman of its expansion committee.

Besides his widow, Dora, Mr. Dettmering is survived by four daughters, and one son, Lucille, Mrs. Andrew Lahti, of Frankfort; Violet, Mrs. Judson Kodat of Monee; Arlene, Mrs. Orville Wischover, of Green Garden; and Dorothy, who lives at home, as does Emil Jr., three sisters, Mrs. Lillie Cohrs, of Flossmoor, Mrs. Clara Miefeldt, Tinley Park and Mrs. Ida Williams, of Chicago Heights, and three brothers, Herman and Oscar of Matteson and Alfred of Buckley, Ill. A brother, Adolph and a sister, Mrs. Frieda Wollenberg preceded him in death. Another sister also died in infancy.

Removal was to the Spindler-Koelling funeral home at 15th and Otto Blvd., Chicago Heights where friends may call today and this evening.

Services will be held tomorrow afternoon at 2 o'clock at the Immanuel Lutheran church, Sauk Trail and Cicero ave., with the Rev. Adolph Ullrich officiating. Burial will be in the church cemetery.

Need Blood At Hines Hospital

The blood bank at Hines Veterans hospital is in need of replenishment.

Last week there was but one pint on hand, and hospital authorities were awaiting delivery from another hospital.

The veterans under treatment at Hines require an average of around 600 pints of blood each month, it was stated.

Bremen post No. 2791, V.F.W. of Tinley Park, is organizing a Donors Caravan which is to leave from the ospit club rooms at 11 a.m. Sunday, May 6.

Anyone who is willing to contribute blood to the veterans is asked to contact the chairman of the caravan, William Houle, at KELlogg 2-2776 or call post headquarters, KELlogg 2-2809, and leave your name. Transportation will be furnished.

"One does not need to be a veteran to contribute," Mr. Houle said, "anyone in good health is eligible and their aid will be appreciated by the men who need it."

Houle and three other post members, Daniel Anfield, Wesley Landau and Fred Zimmerman were at the hospital last week to arrange for the caravan. It was while the quartet was contributing blood that they learned the critical condition of the hospital blood bank.

The need to replenish it, the committee pointed out, is urgent.

Frankfort Club To Create Fund For Scholarship

The Frankfort Women's club is sponsoring a new project this year, that of creating a scholarship fund by which to send a worthy student of Lincoln-Way high school to college.

In order to raise money for this project, the club members will conduct their first annual May day breakfast. It will be held in the Frankfort village hall next Tuesday, May 1, serving from 7 to 10 a.m. The public is invited to attend.

The menu will consist of scrambled eggs, sausage, toast, rolls and coffee. The food has been donated.

Groundhog Day, Feb. 2, is also known as Candlemas Day.

Post, Auxiliary Of VFW To Install Officers Sunday

William Martin post, No. 725 VFW and its Ladies Auxiliary, of Mokena, are to install their officers for the coming year at ceremonies to take place in the post hall on Wolf rd. Saturday night, April 28, beginning at 7:30 o'clock.

The public is invited.

Commander J. E. Moore of the fifth district of the state department of VFW, is to be the installing officer for the post. Commander Moore's home is at Wheaton.

Mrs. Jennie Kopping of Elgin, a past president of the fifth district woman's organization, will be the installing officer for the auxiliary.

Mrs. Ruth Doctor, of Orland township, is to be the new president of the Mokena VFW auxiliary.

The post commander to be installed is Clarence Werner, of Mokena. Other post officers to be installed are:

Norval Robinson, senior vice commander; William Steen, junior vice commander; Oscar Schmidt, quartermaster; Clarence Zugmiller, adjutant; officer of the day, Irvin Hentsch.

Gordon Doctor has been elected trustee for a three year term. Glenn O. Peterson is to be installed as public relations officer and post historian. Fred Hentsch will serve as graves registrar and Arthur Hurley, services officer.

Don Neal will act as officer of the day during installation.

Area Council of PTA To Wind Up Season May 3

The Eastern Will County area council of the Parent Teacher Association will hold their last meeting of the season at the Beecher high school Thursday, May 3, at 8 p.m.

There will be a panel discussion on "Preparing the Child for the Future". Panelists will be a minister, Rev. G. L. Gingrich, a teacher, superintendent John French, and a parent, Mrs. James Franks all of Beecher.

Mrs. John Rooney of Manhattan, will give a brief report on the 54th state convention just recently concluded at Peoria.

Program planning will be introduced by Mrs. Robinson and Mrs. Breider for the benefit of all local presidents, program chairmen and delegates of Manhattan, Beecher, Frankfort, Mokena, Green Garden, Lincoln Estates, New Lenox and Peotone.

Refreshments will be served at the close of the meeting by the hospitality committee of the Beecher PTA.

NEW COFFEE SHOP

Mrs. David Edman, Jr., Mokena, has announced she will open a business next Wednesday, May 2, at 68 Front st., the Hatch building, to be known as "Donna's Bakery and Coffee Shop." The establishment will be open seven days a week, 6 a.m. to 11 p.m., Mrs. Edman said.

Civic Group Hears Talks on Planning, Scouting and Farming

Several speakers appeared on the program of the Mokena Civic association at its meeting last week, covering a variety of subjects—community planning, Scouting and farming.

The meeting was held at the VFW hall with George H. Bills the president presiding.

The talk on community planning was given by Marvin Smith, of The Semmler News-papers staff.

"The problems faced by the village of Mokena in past years are negligible compared with those of the years to come," Mr. Smith said.

"The population of the entire area is expanding tremendously. One might say the territory is plagued by migration. Building is mushrooming, a source of many problems and the growth in population also has its attendant school problems. In fact we are surrounded by a sea of problems."

Appointment of a planning commission by the village board which will understand it is the office—to work in conjunction with the village board would be of great assistance in finding solutions for the various problems the community faces."

The planning of sewer and water expansion, streets, and zoning of sites for housing, business and industry so as to prevent a haphazard development of the community was a must, the speaker declared. He also urged revision of village ordinances, especially those dealing with zoning and building, to meet the current situation, and also provide for the future.

The Scouting problem was discussed by Edward Sullivan and L. B. King, representing the Louis Joliet district Scout head-

Area Students on Honor List At University

Some 2,300 University of Illinois students who have been top scholars during the past 12 months will be honored next week in the annual Honors Day Convocation. All classes will be dismissed for the event which is to be held Friday afternoon, May 4, beginning at 1:15 o'clock in the university auditorium.

Several students from this area are on this year's honors list. They are:

Jean Cooper, a junior, daughter of Mr. and Mrs. Everett Cooper, Mokena. She is majoring in occupational therapy.

Grover G. Weichbrodt, a junior son of Mr. and Mrs. Wallace Weichbrodt, of Frankfort. He is majoring in chemical engineering and will work this summer for Socony Vacuum at Paulsboro, N. J.

Donna M. Cowan, a senior, daughter of Mr. and Mrs. Lloyd Cowan, of Orland Park where Mr. Cowan is a member of the village board. Miss Cowan majored in business administration and personnel. She was graduated from Orland Park high school.

Miss Cooper and Mr. Weichbrodt are graduates of Joliet high school.

The parents will be present at the ceremonies.

University President David D. Henry will preside at the convocation. Prof. George W. Goble, of the college of law, will deliver the honors address. "The Hazard of Belief," Prof. Herbert E. Carter, head of the department of chemistry, will introduce the honored students.

The ceremonies will be broadcast by the university radio station WILL (580 kc), and will open activities of the annual campus Mothers day weekend. Later in the same afternoon cadets and midshipmen of the ROTC army, navy and air force, will put the annual armistice review and presentation of military honors.

Marcia Gaddis Works and Performs In College Follies

Marcia Gaddis, of Mokena, who is attending school at the University of Dubuque, had a double part in the Freshman Follies which drew record crowds when it was presented last week.

Miss Gaddis was a co-chairman of the make-up crew. She also was featured in a novelty number.

This freshman production is an annual event but heretofore it has been held on campus and the audience was mostly made up of students and faculty members. This year's class, however, rented an off-campus auditorium, conducted a vigorous ticket selling campaign and then worked long hours in rehearsal. Talent, set off by colorful costumes and elaborate stage settings, paid off and the piece was a big success.

The dance called the cancan originated in Paris about 1830.

Alerting All Hands!

It's here again—the time to change time! Daylight saving time begins in this area Sunday morning. Officially the time to set one's clocks or watch ahead an hour is 2 o'clock Sunday morning but few if any will wait up for that. Persons will either set their timepieces before they retire Saturday night or when they get up Sunday. And, of course, there will be some who will not get around to it until Monday. Daylight time will be in force until next fall, probably well into October again. It used to be that the time changed back on the last Sunday in September but last year Chicago decided to make it the latter part of October so all the other communities in the area followed suit.

MOKENA LIONS CLUB MEMBERS FACE CROWDED SCHEDULE

Members of the Mokena Lions club are busy these days with several projects.

There is the regular monthly scrap and paper drive which is on tonight. Next Thursday the club will hear and see a demonstration of micro-waves at the dinner meeting in Lincolnwood Drive-In and on May 12 the Lions will conduct an all day pancake sale on Mokena st., just north of Front street.

Persons who have paper, scrap metal or rags that they wish to dispose of are asked to leave them at the curb line and turn on their porch lights. The drive is scheduled to begin at 7 o'clock. Persons who have bundles too heavy to carry out of basements, garages, sheds or back yards, can leave their porch lights on just the same and some of the pickup crew will come in and get the parcels.

At the dinner meeting next Thursday, Fred Wiedemann, staff supervisor of the general information department of the Illinois Bell Telephone Co., at Chicago, will be the speaker.

He will demonstrate and explain the workings of micro-waves.

The subject of his talk will be "Words Over Waves," and he will demonstrate his words with the use of towers, miniatures of those used by the telephone company in the transmission of long distance calls and TV programs.

Robert F. McQueen, manager of the Joliet division of Illinois Bell, will accompany Mr. Wiedemann.

The pancake fiesta set for May 12 is a new money raising means for the Mokena Lions.

The paper and scrap drive and the windshield washing project bring in some of the money needed to finance the club's various welfare programs and they will be continued, it was explained by a club spokesman.

But heretofore the bulk of the club's money for charitable pursuits was obtained for its share of the Homecoming profits.

Now the club plans to make the pancake sale an annual event and the major source of their income for charity.

That is why the Lions are busy now collecting such items as gas stoves, griddles and the like so they will be ready when the day comes.

Mokena st. is to be closed to traffic in the block north of Front st. and a tent erected and furnished with tables and benches. Aunt Jemima, of pancake fame, will be on hand in person to start off the day and the day is to begin early—7 o'clock and serving will continue until 5 p.m.

William Blaha is general chairman and the other members on his committee are Walter Spei-wah, Arthur Omland and Mayor John Scharr.

Mokena, Frankfort Schools Prepare For Spring Concerts

Frankfort Chorus and Band to Give Program Monday

Frankfort grade school band and chorus will appear in a concert in the school gymnasium next Monday night at 7:30 o'clock. The public is invited.

The affair Monday night is to be the music department's annual spring concert and will be under the direction of David Kozelka.

The pupils have been working hard at rehearsals and all indications point to an excellent performance, according to those who have been following the practice sessions.

Music has dominated the week at the Frankfort school.

The Frankfort band went to New Lenox Monday morning and gave a concert at the grade school there. This morning the New Lenox band will return the compliment and is playing a concert at the Frankfort school. This afternoon the Mokena grade school chorus will give a program at the Frankfort school beginning at 2:30 o'clock.

All of this, of course, is leading up to the combination band and chorus program next Monday evening.

The program at Frankfort will begin with four band selections, "On the Hike" and "Badge of Honor," marches, "Oriental Fantasy" and "Twinkle, Twinkle, Little Star," the latter by the beginners band.

Each of the grades will sing two selections. Grade 1, "Baby Song" and "Planting my Garden." Grade 2, "Spring Song" and "Mr. Carpenter." Grade 3, "The Train" and "The Seasons." Grade 4, "Day Dreaming" and "King Rooster." Grade 5, "Mr. Pullman" and "The Band." Grade 6, "Reuben and Rachel" and "The County Jail." Grade 7, "Lullaby" and "Kerry Dance." Grade 8, "Down in the Valley" and "Love and Amour."

Between the appearance of the fourth and fifth grade singers Charles Miller will play trumpet solo and two selections will be played by the Eighth Grade Ensemble.

The seventh and eighth grade girls will sing "April Showers" at the conclusion of the other choral numbers and the program will close with three band selections, "Challenger M a r c h," "Sweet and Low," and "Beau Geste Overture."

Kiwanis Chorus To Give Concert at Chicago Heights

The eighth annual concert to be given by the Kiwanis chorus of Chicago Heights will be held in the Washington school auditorium, 16th and School sts., in Chicago Heights, this Friday and Saturday evening starting at 8:15.

This chorus has earned a high reputation by their many appearances before large audiences. It will be recalled they sang at the Kiwanis conventions in New York city, St. Louis, Mo., and Cin., Ohio. Also they sang by invitation from Gov. William Stratton in the executive mansion in Springfield, last year.

Included in the program will be two groups of organ selections by Lillian Collins, accompanist for the chorus. There will be two baritone solos by guest soloist Robert Speaker of Park Forest, an instructor of voice at the American Conservatory of Music, Chicago.

No reservations are being made. All tickets are sold at the door.

Arthur Lambrecht of Frankfort, who directs the Kiwanis chorus also directs the choirs of the First Methodist church in Chicago Heights, the First Reformer church at South Holland and is coach of the choir of St. Peter's Evangelical church in Frankfort. He is also dean of boys at the Glenwood School for Boys.

Ritts Open New Restaurant on Rt. 30 Near Junction U.S. 45

Toni and Wally Ritt, who have been in the restaurant business in the area for several years have opened a new restaurant on Lincoln highway, a block east of Route 45, made inside at the Foundation.

They will serve breakfast, lunch, dinner and short orders. The hours will be from 6 a.m. to midnight.

The Ritts attained considerable reputation for their homemade pies and they will be available daily at the new establishment. Their specialties will be steaks, chicken and shrimp.

SENIOR WINS SPEECH MEDAL

James Hobbs, senior at Lincoln-Way, won a silver medal in the annual Section 10 FFA public speaking contest which was held April 11. The Future Farmers representing twenty-five schools and FFA chapters in Will, Iroquois and Kankakee counties, met at Peotone High school for this event.

James, son of Mr. and Mrs. Melvin Hobbs of Manhattan, represented the L-W FFA chapter. He is a senior and has studied vocational agriculture for four years. He has also been an active FFA member, receiving his State Farmer Degree at Springfield last June.

The subject James chose for his speech was "Making Pastures Pay off for Beef Cattle." He was complimented by the judges for the able construction of his speech, his delivery, and especially his knowledge of the subject.

Three winners were selected and awarded medals. James received the silver medal for second place. Lehnert Reigle, Peotone, received first and Charles Lewis, Reddick, received third place. James also received a gold medal for placing first at Lincoln-Way.

A second distinction came to James last week when he was selected corn growing champion of Section 10 for the year 1956 at a meeting of vocational agriculture teachers at Central high school in Clifton, Illinois.

Former Marley Resident Dies of Carbon Monoxide

The death of James F. Bransfield, Jr., 36, of Chicago, who formerly resided on a farm about a half mile east of the Marley church, has been attributed to his belief that he was suffering from an incurable ailment and that he wished to spare his family the necessity of looking after him in the event he became helpless.

His body was found last Saturday in his car in the garage of the cinder company in Chicago of which he was president and co-owner. A hose was attached to the exhaust and then brought into the car.

No notes were found, according to his brother-in-law and business partner, Francis Parker, Jr.

Bransfield's mother, Mrs. Clara A. Bransfield, said he had been suffering from recurring nose hemorrhages, which he believed were incurable, and which made it impossible for him to work.

Besides his mother, Bransfield is survived by his wife, Barbara, a daughter, Barbara and a son, James, and two sisters, Mrs. Shirley Parker and Joan.

Funeral services were held yesterday in Chicago.

He was recalled at Marley as a pleasant, agreeable neighbor.

Open Class For Landscape Painters

A class in landscape painting is being arranged at the Community Center Foundation at Palos Park which is open to painters in this area who have already studied in beginners painting classes. The first meeting of the group will be on Tuesday, May 8th at 1:30 p.m. with successive meetings each Tuesday for ten weeks. Mrs. Marvin Kutchinski has been scouting the surrounding countryside for interesting spots to use as class subjects. She has announced that each class period will be held a short distance from the Foundation in order to paint different scenes. She has already lined up some interesting subjects, such as a quarry, church, bridge and wooded slope. In the event of bad weather, a study or model will be made inside at the Foundation.

DATE NIGHT

Last Tuesday night the Future Home Makers of Lincoln-Way high school sponsored a Daddy Date night in the school's Homemakers room, at 7:30. An informal evening of games and visiting was enjoyed and refreshments were served. All fathers

32-Voice Mokena Choir Will Appear Wednesday Night

The Mokena Grade school choir will present the first of two concerts when it travels to Frankfort this afternoon to sing before the student body of the public school. The program is scheduled for 2:45 o'clock. The choir is directed by Glenn Mier.

The second of the two concerts will be given in the Mokena school gym, May 4, at 8:15 p.m. At that time, the 32 voice choir will present its second annual concert in celebration of music week and is open to the public.

The program will open with "It's a Big Wide Wonderful World." The choir will then sing "Old King Cole," "Christopher Robin is Saying His Prayers," and "Clancy Lowered the Room." The next group of selections will be taken from the southland, "Lil' Liza Jane," "Comin' Round the Mountain" and "Sherwood Mountain." The west will be represented by "Cool Water" and "Snow White Fantasie."

After a brief intermission, the choir will return to the stage to conclude with numbers featuring New York City, and various musical plays. These include "The Sidewalks of New York," "Lullaby of Broadway," "I Whistle a Happy Tune," from the King and I, and "How Do You Speak to an Angel?"

The highlight of the evening will come when the members of the 1954-55 choir return to the stage to join the present choir in singing "Oklahoma" and the choir's theme song, "You'll Never Walk Alone." A free will offering will be taken.

The grade school choir was organized as such under its present director in the fall of 1954. They first sang as a group in the Christmas program of that year. Because of their interest, time made available for their use.

The morning rehearsals earned them a program of their own which was presented in May. At that time, a free will offering was taken and used for the purchase of music for the present year.

The proceeds gained from the "Snow White and Seven Dwarfs" production April 6 were used toward the purchase of music for the choir will use for their concert, May 4.

The soloists then will be: Carole Egness, Sharon Cappel, Gayle Harling and Thomas Powers. The accompanists are: Gayle Harling, Sue Ann Shoop, and Kay Swinford. The director is Glenn L. Miers.

L-W Parent Group Will Hold Final Meeting Wednesday

At the Lincoln-Way Parent-Teacher group meeting to be held in the cafeteria of the high school Wednesday night, May 2, the Home Economic department of the school will present the program. This will be the final meeting for this season.

Because the style show which the Home Ec gave last year was presented in a pleasing and excellent manner, it has been requested to have them repeat that show.

Following the meeting a bake sale will be conducted.

Refreshments will be served by Mr. and Mrs. Hochberger of Frankfort and committee.

Hold Funeral for Fred Burger, Late Of Green Garden

Funeral services were held on Wednesday of last week for Fred Burger, 78, who died April 16 at the home of his daughter, Mrs. Vincent Shortinger in Green Garden, following a short illness.

Mr. Burger had made his home with his daughter since the death of his wife, Alvina, in 1943. A native of Germany, he came to the United States in 1905, and resided in and around Chicago since.

Besides his daughter and a son, Fred, of Cicero, Mr. Burger is survived by two step-daughters, Mrs. Otto Malinowski of Chicago, and Mrs. Charles Glynn, of Oak Park; one brother, John, of Chicago; one sister, Mrs. John Weiss, of Banger, Mich.; five grandchildren and four great-grandchildren.

The funeral was held in Hillside with the Rev. J.A. Krohn of Lyons. Burial was in Oak Ridge cemetery.

reported a wonderful time and it is hoped to make this an annual event. Approximately 30 daughters and fathers attended.

TINLEY PARK

Thanks Folks
The German-American Club of Blue Island wishes to take this opportunity to thank the many friends of the club for their support at their dance last Saturday night, held at Saenger hall ballroom. It was one of the most successful affairs held in recent years.

The club also wishes to thank the Tinley Park police and especially the Saenger ballroom establishment for the fine cooperation extended.

LYLE AULWURM, chairman

Sunday evening, April 26, the Junior group of the Church of Christ, known as Christ's Commandos, will have charge of the service set for 7:30 p.m. Kodachrome slides will be presented which show the work of the Kul pahar Kid's home in India. The public is invited to attend and travel with the Commandos as they are invited into the Kid's home that is more than an orphanage.

The Zips, youth group of the Zion Lutheran church are planning a great time Saturday evening, April 28 when they meet at 7 p.m. for an Old Clothes Party. Chaparones for the evening will be Mr. and Mrs. Howard Mager and Mr. and Mrs. George DeTalent.

WBA News
The Woman's Benefit association, Sunset Review held their social meeting, April 19, in the home of Marge Janzen with Ruth Bacon as co-hostess.

A bake sale is being planned for the second week in May; the officer's club of the WBA will have a luncheon May 9 at the Kungsholm restaurant in Chicago following which they plan to see the puppet show.

The business meeting will be held May 3 in the American Legion hall with hostesses being Hilda Johnson and Doris Johnson.

Mr. and Mrs. Henry Dubinsky of Chicago are the happy parents of a daughter born April 5. They have named her Helen Louise. The Dubinskys were formerly residents of Tinley.

Mrs. Martha Dini celebrated her birthday April 12 by having friends in for luncheon, and also supper guests.

Miss Josephine Schmedeknecht entertained Mrs. Walter Gray and Mrs. Pauline Johnson of

Chicago, and Mrs. Martha Dini at a luncheon April 19.

Barbara Farquhar was surprised Saturday evening when 12 friends arrived at her home to help her celebrate her 13th birthday. Guests enjoyed the teen age games, and party fare which Mrs. Lowell Farquhar, mother of Barbara, had planned.

Mr. and Mrs. John Wilkes of Sayre avenue flew to Miami recently to visit their daughter, Mr. and Mrs. Philip Dooley. While there they enjoyed a boat excursion to Havana, Cuba. They drove home through the Ozarks, where spring has already blossomed according to Mrs. Wilkes.

Mrs. George Spangler entertained her family buncos club Thursday evening. Guests were from South Holland, Harvey and Roseland.

Mr. and Mrs. Lloyd Pieroni and daughter Kathy of Chicago were Sunday guests at the Charles Schara home.

Mrs. Cora Douglas entertained a group of ladies at a demonstration party in her home Monday evening.

Mr. and Mrs. James Kaufman of Oak Lawn were Tuesday evening guests at the Dues Webber home.

Mr. and Mrs. Clarence Brown have returned to Tinley Park after spending the winter in Tucson, Ariz. Greetings were sent to Tinley friends from Mr. and Mrs. Lloyd Reese, former residents. Mr. and Mrs. Brown are again living in their home at 180th and Ridgeland.

Bremen Home Bureau will meet this evening in the home of Mrs. George Smith, 6602 173rd place. Mrs. Richard Freund, Bremen chairman, announces this meeting as guest night.

Mr. and Mrs. Donald Goessel announce the birth of a baby girl April 19 in Hazelcrest hospital. She has been named Kathleen Dee.

Mr. and Mrs. P. L. Jochum and daughters and Mrs. J. L. Jochum of Blue Island were guests Sunday at the Ludwig Lischer home in Michigan City, Ind.

Mr. and Mrs. Harold Zobac and family attended services in the First Methodist church in Downers Grove Sunday morning. The Rev. and Mrs. Arthur Hager were their dinner guests following the services.

Tinley Park Parent Teacher association sent four accredited delegates to the Illinois State convention at Peoria April 18-21. They were the officers elect for 1955-57 of the Tinley Park unit: Mrs. Donald Hollingshead, Mrs. Hal Kent, Mrs. Walter Goldstrom and William Harris. Also attending was Mrs. Walter Fierke, president elect of the Southwestern Area Council, PTA.

Tinley Park Methodist church WSCS was represented with 11 members at the all day meeting at Thornburn Methodist church last Thursday. Ruth Ann Smith, recruiting worker for deacons was the speaker in the morning. The afternoon hours were given to round-tables which gave the officers elect an opportunity to become better acquainted with the duties of their new offices.

Church Must Grow

Lesson for April 29, 1956

A CLUB can close its membership list at any time. It can decide not to accept any more members for six years, or sixty. But if a church decides to do the same, it is not a church any more, only a club. A church that is for good reasons not growing may be a true church of Christ; but a church that does not want to grow is certainly not a church that Christ would recognize.

"GO," Jesus said, into all the world. A church that has no Go about it, a church whose horizon is limited by its own parking lot, a church without an outreach, is a parody on a true church. It is not the real thing.

Hurdles and Handicaps
The early church church was surely the real thing. It was a going, and therefore a growing, church. But it could have had, if it wanted, all the moulty excuses which lazy churches offer nowadays to explain why they don't reach out. For example, the early Christians could have said, "We can't reach out, we haven't any money." But they managed to get around, or at any rate some of them did. They could have complained, "We have a shortage of ministers." Well, they did, but they had no shortage of laymen. By the time the distinguished apostles got down to Samaria they found an enthusiastic layman Philip had been there already and got a work started. The church could have said, "We can't afford to send missionaries all the way to Africa." They couldn't, to be sure. But what they could do was to make a Christian of an African in their own country, trusting that he would take the gospel back to his own people. (And he did, the tradition tells us.) A track man does not complain about seeing hurdles in front of him; he jumps over them. A good golfer does not "go home mad" because he has to play with a handicap against him. He takes it as a compliment and a challenge. So the early church took their hurdles and handicaps as challenges.

Laymen and Clergy
When you see a present-day church with no outreach, one of the reasons may be that the people leave all the outreach to the minister. He is supposed to be interested in missions, sure, that's his business. But the people—well, we have a hard enough time raising money with our bazaar just for the preacher's salary, you can't expect us to think about missions! In fact, one has seen churches where the only really "active member" was the preacher. Now the early Christians talked no such nonsense. They did not have the hard and fast division into "laity" and "clergy" that churches today have, even if they use other words like "member" and "preacher," or "pew holder" and "pulpit orator." The Apostles, it is true, were men set apart. But the outreach of the early church was mostly done by people who were not Apostles. And so far as we hear in the book of Acts, the Apostles did not dress differently from any one else. They did not claim exemption from taxation, they did not claim reduced rates at stores or when traveling. They were not given titles like Reverend or Doctor, everybody called them just Paul or Peter or whatever, without so much as a "Mr." in front of their names. They worked at outreach, yes, but the point is, they were not looked on as professional outreachers while the "laymen" were professional sit-backers!

Multitudes and Lonely Man
The early church reached out in two ways. They went where the crowds were, and also they went to far lonely places. We hear about crowds in Jerusalem and Samaria and elsewhere. We also have the story of Philip going down to a desert road where his only congregation was one lonely puzzled foreigner. The going church today, the outreaching church, the New Testament kind of church, also will be reaching out to the multitudes and to the lonely man. It will be sending missionaries into great cities, to our land and overseas, working among overcrowded tenement and swarming streets. It will be reaching out to cowhands on the open ranges, to lighthouse keepers' families along the seacoast, to little villages on the edge of the Arctic and under the dripping tropical rainforests.

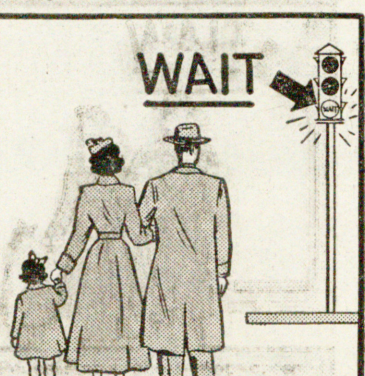

(Based on outline developed by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

Tips on Traffic Safety

By CHARLES F. CARPENTIER
Secretary of State

Pedestrians have an important role in keeping down the highway accident rate. Just as a motorist must heed the rules of the road, so must the pedestrian.

Pedestrians must obey all traffic signals. Pedestrians crossing a street or highway in compliance with the law at a crosswalk at an intersection—whether marked or unmarked—have the right-of-way over all vehicles. However, they yield their right-of-way to all moving vehicles if they cross the street between intersections, or in the middle of the block.

Pedestrians shall not cross the street in the direction of a pedestrian "wait" signal. There are those who believe they can safely cross the street if the light has just changed from "wait" to "go." Apparently they will not concede that these devices are timed by experts on the subject.

And motorists should always remember one thing. The moment they step out of an automobile they are pedestrians. They should not enter or alight from an auto on the street side.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

"Maybe money can't buy happiness, but it'll help you get some fine synthetics!"

Monkeys are known to have considerable social instinct.

LEGAL NOTICES

NOTICE
Village of Orland Park
Dog License and Rabies Vaccination, 1956.

Dog Licenses, for owners and keepers of dogs in the Village of Orland Park will be due May 1st and residents are hereby notified that they will be subject to penalty, as prescribed by ordinance, for failure to register their dogs.

The license fee for both male and female dogs will be \$3.00; and will be available at Village Hall, Tuesday evenings from 7:00 to 8:30 p.m., and on Saturday, May 5th from 3:00 to 5:00 p.m.

Proof of rabies vaccination for the current period will be required before a dog license will be issued.

For those who have not complied with the compulsory rabies vaccination order, now in effect for all of Cook County under provision of Section 19 of the Illinois Rabies Law, the Village Board has arranged to have Dr. Robert Lawrence come to Orland Park, Saturday, May 5th at 3:00 p.m. Dr. Lawrence will vaccinate dogs brought to the Village Hall on that date. The fee for each dog will be \$2.00, payable to Dr. Lawrence, which includes the license fee for the current period.

By order of the License Committee
Village of Orland Park
BRET LAND A. BLAIR,
Village Clerk
April 19, 26, 1956

NOTICE
Sealed bids will be received by the Highway Commissioner of Orland township for approximately 2865 yards of crushed stone for maintenance and repairs of Orland Township roads. The stone to be delivered and spread at the discretion of the Highway Commissioner. This contract to terminate March 15, 1957.

Bids to be opened at the town clerk's residence, 139th St. and 110th ave. at 10 o'clock a.m. Monday, May 1, 1956.

The Highway Commissioner reserves the right to reject any and all bids.

CARL M. BORMET,
Highway Commissioner
RALPH L. AGATE,
Town Clerk
April 19, 26, 1956

NOTICE OF SALE
Notice is hereby given that on Saturday, the 19th day of May, 1956, at two o'clock P. M., (Central Daylight Saving Time) the Trustees of Schools of Township Number 35 North, Range Number 13 East, Cook County, Illinois (Rich Township), will sell at public sale the following described real estate of School District Number 160, Cook County, Illinois, to-wit:

A certain piece or parcel of land adjoining the highway commencing two rods South and two rods East of the Northwest corner of Section Three, Township 35 North, Range Thirteen, East

of the Third Principal Meridian, thence East six rods, thence South seven rods, thence West six rods, thence North seven rods to the place of beginning, in Cook County, Illinois, together with all improvements thereon.

The said real estate is located at the Southeast corner of 183rd Street and Cicero Avenue, Rich Township, Cook County, Illinois.

Said sale will be conducted on the above described premises.

Said sale will be for cash. The Trustees of Schools reserve the right to adjourn the said sale to another date in the event no satisfactory bid is received.

Dated this 3rd day of May, 1956.

E. A. SCHMECKPEPER
BERNARD HAMERMESH
GEORGE BLUME
Trustees of Schools, Township Number 35 North, Range Number 13, East, Cook County, Illinois.

April 26; May 3, 10, 1956.

NOTICE OF INTENTION OF COMMUNITY HIGH SCHOOL DISTRICT NUMBER 210, WILL COUNTY, ILLINOIS, TO ISSUE \$159,000 FUNDING BONDS.
Public notice is hereby given that on the 24th day of April, 1956, the Board of Education of Community High School District Number 210, Will County, Illinois, adopted a resolution declaring its intention and determination to issue bonds in the aggregate amount of \$159,000 for the purpose of paying presently outstanding orders issued for the wages of teachers and claims against said School District, all of which have been authorized and allowed for proper school purposes, as authorized by Article 19 of "The School Code" of the State of Illinois, and it is the intention of said Board of Education, to issue such bonds for the purpose of paying such orders and claims.

A petition may be filed with the Secretary of this Board of Education of Community High School District Number 210, Will County, Illinois, within thirty days from date of publication hereof, signed by not less than ten per cent (10%) of the legal voters of this School District requesting the submission to the legal voters of this District of the proposition to issue such bonds, whereupon a special election shall be called for voting upon such proposition. If no such petition is filed with the Secretary of this Board of Education on or before thirty days from the date of publication of

this notice, then this School District shall thereafter be authorized to issue such bonds for the purposes hereinabove provided.

By order of the Board of Education of Community High School District Number 210, Will County, Illinois:
Dated this 24th day of April, 1956.

A. H. KRUSEMARK, JR.,
President
J. EARL ROBINSON,
Secretary
April 26, 1956

NOTICE OF LETTING
Sealed proposals will be received in the office of the Village of Orland Park, 14417 Beacon st., Orland Park, Ill., until 8 o'clock P.M. May 14, 1956, for the furnishing materials required in the maintenance of Section Arterial Sts. 2 to 14 inc. Municipality Orland Park and at that time publicly opened and read.

Proposals shall be submitted on forms furnished by the Municipality which may be obtained at the office of Village Clerk, Bretland A. Blair, of 14415 Woodland ave., Orland Park, Ill. and shall be enclosed in an envelope endorsed "Material Proposal, Section Arterial Sts. 2 to 14 inc."

The right is reserved to reject any and all proposals and to waive technicalities. Proposal guarantee will not be required. If a proposal guarantee is required it may be less than \$300 but not less than 10% of the bid. A surety bond for the full amount of the award will be required.

By order of the President and Board of Trustees of Orland Park, Ill.
BRET LAND A. BLAIR,
Village Clerk
Dated April 23, 1956

Orland Woman's Club Installs New Officers

The newly elected officers of the Orland Woman's club were installed at their April 18 meeting held in the home of the president, Mrs. Mable Ekberg. They are, Mrs. Fred Blackstone, first vice president; Mrs. Gene Bates, corresponding secretary and Mrs. Frank Buck, treasurer. Mrs. Sigmund Smith served as proxy for Mrs. Buck who was ill. Mrs. H. Adele Cooper, past president was installing officer.

Among the announcements made were that Mrs. Lillian Knox, publicity, received third place in the district judging, having had 222 1/2 inches of publicity in her scrap book.

Mrs. Ralph Town, Welfare and Mental Health chairman, reported that an open house will be held at the Manteno state hospital, Sunday, April 29 from 1 to 4 pm. Those desiring to attend should contact Mrs. Town, FI 9-0122 who will furnish transportation.

Mrs. Town also reported that classes for hospital volunteer workers will be held May 14 and 21. Those desiring to enter these classes should call her. Mrs. Town also told of the various parties she and her committee had conducted at the hospital and the serving of refreshments.

Mrs. Harry Pihl, finance chairman, reported on the money raising activities conducted during the year.

Mrs. Henry Eiderdam, membership chairman, stated that although the club had lost five members who had moved from the area, five new members had joined the club making the total membership 49.

The speaker of the afternoon was Mrs. Luella Lipschultz, a representative from the south suburban chapter of the American Cancer society. She showed two films, "Warning Shadows," and "The Traitor Within" which showed that the death toll from that disease exceeds that of tuberculosis or pneumonia.

Mrs. Lipschultz stated there are 20 home cancer patients in this chapter. She also explained the work of the society, told of their loan shelf from which supplies can be obtained. At present there are three beds, a wheel chair and bed rails being loaned from the shelf; also financial aid has been received from the township supervisor to help in carrying on this work.

Hostesses for the covered dish luncheon which preceded the meeting at noon, were Mesdames S. V. Smith, Harry Ahnell, James Husak, Frank Moore and Fred Blackstone who substituted for her mother, Mrs. C. Vondersmith who is vacationing in Florida. There were 29 members present.

The annual spring luncheon will be held in the Southmoor Country club May 16 at 12:30 with Mrs. Blackstone taking reservations. The program will include a style show.

The Louisiana Purchase nearly doubled the size of the U.S.

Garden Club Sees Slides On African Violets

The Garden club met in the home of Mrs. John Werth, Thurs. day, April 19, in Tinley Park. A very lovely luncheon was served by the hostess, R. G. Lund, a representative of a chemical firm, showed slides of the African Violets and gloxinias, which were very interesting and educational.

The Chicago Plant, Flower and Fruit Guild will celebrate its 30th anniversary with a luncheon at Marshall Fields, which will be attended by Mrs. Florence Feil.

An invitation was received from Mrs. Walter Eichelberg to exhibit at a forthcoming flower show to be held in Chicago Heights. After the meeting adjourned, the members exchanged plants and bulbs.

Minuth Studio Will Present Dancers In Two Shows Sunday

The Minuth Studio of Dance will present two completely different shows Sunday April 29 in the Haven school auditorium, New Lenox.

The afternoon show, "Susie Graduates," starting at 3 o'clock will be based on the actual story of the Ballet graduation ball. Forty five children and adults will participate in this show.

The evening show, "Susie Seeks a Treasure," starting at 8 pm. will include dancing, singing, acrobatic and modern, with eighty children and adults taking part.

Those taking part in both shows are from New Lenox, Mokena, Lockport, Joliet, Tinley Park, Chicago and Lincoln Estates.

The two New Lenox Cardinal 4H girls, Janet Wise, and D'ane McCleary, who won first place in the share the fun contest, held in Joliet last Thursday night, will perform the same number with which they won, in the evening show.

Rosemary Manch of Mokena will both narrate and sing in the evening show, and will be accompanied by Mrs. Grace To-many.

Woman's Guild of Grace Church Plans Public Card Party

The Woman's Guild of the Grace Episcopal church is sponsoring a card party Saturday night May 5, beginning at 8 pm. The event will take place at the newly dedicated parish hall, St. Paul's, at the church in New Lenox. Prizes will be awarded and refreshments served. The public is invited and special games will be conducted for the children. Further information may be obtained by contacting Guild president, Mrs. Marie Penn.

Coming Events

Thurs., April 26—Ham dinner at Tinley Park Legion hall.
Fri. April 27—Bake sale, Vogt's store, Tinley Park. 2 pm. by Ladies Aid of Zion Luth. church.

Sat. May 12—Pancake day, Mokena 7 am. to 7 pm. by Mokena Lions club, all you can eat.

Clam Bake

When you've got boys
You can expect, then,
Nonsense and noise,
Half the place wrecked,
then
When they grow up,
To man's dimension,
Then they blow up
At a convention!

—Carl Helm

Morphine was named for Morpheus, the god of dreams.

Roosevelt declared the famous bank moratorium the day after he took office.

Engaged

Mr. and Mrs. Theodore J. Ver Haar, of 12144 Yale ave., Chicago, announce the engagement and approaching marriage of their daughter, Nelma Jean, to Merle Landau of Tinley Park. The wedding date has been set for June 30. Miss Ver Haar is a graduate of Fenger high school and attended Valparaiso university. Mr. Landau is a graduate of Blue Island Community high school.

Frankfort-Mokena Home Bureau Meets

Mrs. Fred Piepenbrink opened her home in Frankfort April 17 to the meeting of the Frankfort-Mokena Home bureau.

The major lesson, "Saving Sight" was presented by Mrs. Piepenbrink and Mrs. Robert Schweizer. The minor lesson on program planning was given by Mrs. Marvin Kohl.

Mr. and Mrs. George Elsner will be hosts to the regular family night party in their home Saturday night May 5.

Zion Mission Guild Will Serve Dinner To Luther League

Zion Mission Guild met on April 16 in Tinley Park to make plans for a Ham Dinner to be served May 20 for the Luther League rally with approximately 175 guests.

The Family night planned for May 21 is scheduled to be a pot-luck supper affair.

Mrs. Caroline Deck and Mrs. Mildred Cleveland were welcomed into the membership of the group. Guest of the evening was Mrs. N. Wright.

Orland, Palos Church Groups to Sponsor Style Show May 8

The Altar and Rosary societies of St. Michael's Catholic church at Orland and of the Sacred Heart Catholic church at Palos Park will hold a fashion show and dinner at the Martingale in Chicago May 8. Dinner will be served between 6 and 7:30 pm.

The new officers for the coming year will also be installed at this time. The vacation wardrobe, valued at \$150 and which has been donated by various merchants, will be awarded during the evening's program.

Altar and Rosary Plans Rummage Sale

The St. George Altar and Rosary society will hold a rummage sale, Tuesday, May 1, in the school hall, 176th and Garden st., Tinley Park, starting at 9 am. and continuing thru the day. A bake sale will also be held in conjunction with this sale.

Everyone is invited and the ladies promise a good selection of clothing and household articles; plus the added features of being able to purchase delicious home baked cakes, pies and other goodies.

Spring Brings Out Children -- Warns Motorists to be Careful

After a long winter indoors, children take to the outdoors with the first sign of warm weather to participate in the many games and activities. "This places an added responsibility on the motorist," declares Charles M. Hayes, president of the Chicago Motor club, "Children at play are likely to be impulsive and carefree," warned Mr. Hayes, "and it is the motorist's responsibility to be on the lookout for them at all times," particularly in playground areas.

Unfortunately, all activities of children aren't confined to playgrounds, he points out.

4-H Club Enjoys Pot-Luck Supper

The Frankfort-New Lenox 4-H club held their pot luck supper Tuesday, April 17 in the Lion's Den at New Lenox. It is an annual affair for the members and their families. There were about 45 in attendance. After enjoying a good meal, Marvin Bormet, acting president, opened the program, the secretary reading the roll call, and each member introducing their parents and telling what their project is for this year.

Wendell Anderson, Dick Batson and Ron Steinberg gave some musical selections. A movie on Aluminum roofing was shown by Andy Wickless. The program closed with group singing led by Darlyne Cleveland and Jane Oram.

Royal Neighbors Hold Meeting

Dew Drop Camp 2023, Royal Neighbors of America met Tuesday evening in Tinley Park at which time Edna Schneider was given the obligation.

Freida Roth was reported ill. Celebrating birthdays this month were: Annie Dull, Edna Schneider, Doris Barrowcliff, Helen Johnston, and Adele Pot-berger, Claire McLain and Erna McLosa.

Neighbors Dale and Larson contributed towels to the camp which Oracle Rasmussen acknowledged.

The evening's award was presented to Mae Larson, Refreshments were served by Neighbors Barrowcliff, Bendler and Butler.

Sandburg High School Notes

Student Council Week
You have undoubtedly heard many things in the past few weeks concerning the delinquency of teenagers all over the country. All of it is true. There are many irresponsible young men and women in our modern society, but this picture of depravity printed by the prophets of gloom is not complete in its content.

It is generally accepted fact that there is a religious revival going on in the United States. Perhaps a product of it, but most certainly a part of it, is the intellectual and spiritual revival making itself known in the high schools of the country. There are more thinking students in the upper classes of these schools than ever before. There is a great new awareness of our place in school; what we are doing here; what we can receive and what we can contribute.

A tangible facet of this rebirth is the Student Council Week which is now being executed. The purpose of this week is to inform the public of the potentialities of the high school students today. No, these high school horror stories do not present the entire picture of youth today. They serve only to make the problem of juvenile delinquency an open one. The public must recognize that the dark picture painted by a few delinquents who make the headlines do not represent the majority of teenagers. The majority realizes and accepts the responsibility it has as the adult citizen of tomorrow. Help them in their quest for maturity.

Students in every high school in Illinois will have an opportunity to pioneer in a program that has never been carried out in the United States. Governor Stratton has proclaimed April 22 to 28 as Student Council Week. The main purpose of this week is to show that the majority of today's teenagers are upstanding young citizens interested in using their efforts toward the achievement of positive accomplishments.

The motto chosen by the Carl Sandburg high school Student Council for the week of April 22 to 28 is "Rally Youth Toward Student Progress." Each day of this week has been given a special motto or slogan befitting the

Pink Cloud Proprietor Rates Among Top-Notch Hairdressers

Applying his art of hair styling keeps James J. O'Malley, owner of the recently established beauty shop, the Pink Cloud, 17016 Oak Park ave., busy seven days a week.

His clientele travel many miles of a coiffeur who is master of his art.

He has worked with many top notch hairdressers in Winnetka and the loop, including Williams Coiffure Designs, originator of the cotton candy cut and Mario, exponent of the sculpture and lamp cuts.

As a partner in the firm of Richard and Joseph, he was stylist and color consultant for many famous model studios. Simultaneously with New York they introduced the jiffy cut and kissable curl.

He specializes in cold wave permanents exclusively. The permanent wave solution he uses contains no ammonia. Gone are the days when women emerged from the beauty parlor with every hair in a stiff unnatural set. The modern trend is for naturalism which he achieves in every individual hair style, which is as diversified as his manner is easy and relaxed.

O'Malley, who has been a resident of Tinley Park for five years, lives with his wife Agnes and two children, Terry, 8 and Kerry, 4 years old, at 6538 W. 171st st.

His original home is Chicago where he attended parochial grammar school and Schurz high school. His beauty culture education was acquired and applied in Beverly Hills, Calif. He served two years as T-Sgt. in the U. S. Army air force in the China, Burma, India theater.

activity assigned for that specific day. Committees of the Council have been actively setting up the calendar of events for the coming week which is as follows: April 23, Monday, Courtesy Day, chairman Wendie Johnstone; April 24, Tuesday, Charity Drive Chairman, Kea Leavitt; April 25, Wednesday, School Cleanup Drive, Chairman Al Herbster.

April 26, Thursday, Safety Day, Chairman, Gail Kramer. April 27, Friday, Dress up Day, Chairman, Carol Minton.

Juniors Sponsor Prom
The Junior class of Carl Sandburg High school will sponsor the Junior-Senior Prom May 25, at the Southmoor Country club, 131st and Southwest Hwy.

The couples will dance to the theme of "Starust Sonata." Committees of the junior class have been working out the details and have planned a very enjoyable evening for all who attend.

Language Teachers To Hold Convention Sports Calendar

The Central States Modern Language Teachers Association, the only professional organization for all modern language teachers of the sixteen states included in the middle west and south, will hold its thirty fourth annual convention at the Conrad Hilton hotel on May 4 and 5.

There will be a Banquet May 4, and section luncheon meetings for French, German, Spanish, Portuguese, Italian, Slavic, Scan-

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Members of St. Michael's Altar and Rosary society will meet at the Lt. Jos. Kennedy School for Exceptional Children, 123rd and Wolf rd., at 8 p.m. Tuesday, May 1. Following a tour through the school, the children will present a Mother's Day program. Nomination of officers for the coming year will take place.

Members are asked to bring a small gift for the St. Vincent's orphanage shower.

Miss Betty Munch, daughter of Mrs. Henry Munch of Oak Lawn and Richard Murphy of Chicago were united in marriage Saturday, April 21 at St. Gerald's church in Oak Lawn. Recognition was held in the Legion hall. Mrs. Norman Eckert, Mr. and Mrs. Jerry Eckert of Orland were among the 300 guests. The bride is a sister of Mrs. George Eckert of Oak Lawn; formerly of Orland Park.

The Orland Park Volunteer Fire department was summoned to a fire Friday and again Monday at Orland Hills, both were grass fires.

The Day Circle WSCS of the Orland Park Methodist church met at the home of Mrs. Fred Blackstone, April 19. Luncheon was served at noon with Mrs. Howard Beasley and Mrs. John Loebe assisting Mrs. Blackstone, followed by the regular meeting of the circle with Mrs. S. Knox, chairman, presiding. Members are to bring their articles for the rummage sale to the church social room the day before the sale, which is Thursday, May 24 at 9 a.m. There will also be a booth of new fancy work articles and aprons with Mrs. Adele Cooper and Mrs. Charles Cooper in charge. Mrs. Lester Savers will be in charge of the rummage sale. Plans have been made by the Methodist men with their wives to attend evening services in the Chicago Temple, Sunday, April 29. A bus will leave Wesley hall promptly at 6 p.m. After the service they will tour the temple. Restaurant reservations have been made to have a light lunch on the way home. As the bus will only accommodate 20 couples, it is necessary to make reservation with either Stanley Cooper, FI 9-3141 or George Flondor FI 9-0066 soon.

Mr. and Mrs. Robert Horn attended a banquet at Roman hall, Harvey, Saturday evening, April 14. This is an annual affair of the

Good Fellowship club of the Great Lakes Carbon Co., where Mr. Horn is employed.

Frank Buck met with a freak accident Wednesday, April 11, when he fell by slipping on a wet board in his yard. He was taken to St. Joseph hospital, Joliet for surgery. He is home now and doing nicely.

Patti Louise, small daughter of Mr. and Mrs. Delmar Garmon is receiving treatment in a hospital.

Mrs. Lorraine Ballou and mother, Mrs. Gertrude Weber who have been living in Clearwater, Fla., for some time, arrived in Orland April 12 to visit her daughter, Lois Garmon and family. They left April 16 by plane to return to Clearwater.

Mr. and Mrs. Clarence Kelsey had as their guests Sunday evening, Mr. and Mrs. Frank Hamrich and family of Tinley Park and Mr. and Mrs. Harvey Kort-bien and family of Marietta, Wis., hometown of the Kelseys.

Mrs. Karl Ekberg had as dinner guests Friday evening, Mr. and Mrs. Elmer Kettering of Aberdeen, South Dakota and two grand daughters, Marian and Carol. Mrs. Frank Moore, Mrs. Joseph Miken and son Joe, Mr. and Mrs. George Gee Jr., Mrs. Dave Agate, Ralph Agate and Miss Alice Galey of Harvey, Mr. Kettering, brother of Mrs. Agate, and Mrs. Kettering were vacationing in Florida the same time Mrs. Agate was in Clearwater, and enroute to South Dakota they stopped at the Agate home for two weeks and while there visited relatives in Orland, Mr. and Mrs. Howard Creer and in Lemont.

Members of the Orland Park Woman's club will meet in the home of Mrs. Harry Pihl Tuesday May 22 at 1 a.m. to make dressings. Those attending are to bring thimble, needle and white cloth, sheets, pillow cases and white shirts, laundered and ironed. The shirts will be made into bed jackets. Any one interested in attending a cancer prevention clinic, day or evenings are asked to contact Mrs. Pihl at FI 9-0061.

Mrs. Sadie Glahn of Stapleton, Neb., formerly of Orland Park was a guest of Miss Rose Enders April 15. Mrs. Glahn has been visiting her son Ray and family in Calif. She is now visiting her son Royal and wife in Hinsdale.

Mr. Harry Anderson who was a patient in St. Francis hospital is convalescing nicely at home.

COMMUNITY CENTER FOUNDATION

127th & Southwest Highway
Palos Park, Illinois
Rev. Paul T. Sanders, Director
Vesper services Sundays 4:30

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Friday the 20th, a salad lunch was held at the Community Foundation Center on the South West highway which several ladies from this area attended. Mrs. Jack Nelson a member of the Hobby Shop located on the grounds of the Center helped pour coffee. The Rev. Paul T. Sanders director gave an interesting talk on the founding of the Center. He told how the first building was erected on the grounds by a group of young people who used the wood from an old box car to build the first room which is now the living room of the Community Center and how "each piece of workmanship was contributed by an individual and represented a phase in their life". The Center is now enjoyed by a great many people from all walks of life and on Sundays at 4:30 services are held in the Wayside chapel located on a hill overlooking the surrounding country. The Center has 60 acres which includes the Foundation Farm camp to which children from 7 to 11 years of age are admitted for a summer of fun and learning. Twelve boys and twelve girls are accepted for 2 week periods or thru out the whole of the summer beginning in June. There is one counselor for every six children. He or she is carefully chosen from 25 colleges in the midwest and have special skills in games, music crafts etc. Application blanks may be obtained by writing to Paul T. Sanders, director of the Center.

The first come as you are party was held at the home of Mrs. L. Woodbury on the 16th and 11 ladies were present. There was a good deal of good natured laughter as each arrived. Mrs. Woodbury served sweet rolls and coffee.

The George Carrolls entertain ed house guests from California who were former residents of Chicago and Laguna saw little of them.

weeks trip to Mexico. Mrs. Nelson traveled by plane.

Nice sight, Dot and Madge paddling the canoe around the small Lagoon on a Saturday afternoon. The Mose Hyggies started excavation Monday and so far seem to be the only family who have dug up Black Dirt instead of clay.

The William Donohues and the William Murphys are anxiously awaiting their permits and will build soon as possible.

The McBride family hope to move into their home by May 15. Two of their four sons will attend St. Michael's school, the eldest boy who is 16 and in his senior year at high school will probably continue his schooling in the city. The other boys ages are 13, seven and five all of whom will find other children in their respective age groups living in Laguna. Mrs. McBride is acquainted with Mrs. Jack Nelson's mother.

The Manos' hilltop home is certainly a beauty with the new winding flagstone steps and terrace stone. Mrs. Bitterman, who was the builder, is also in charge

of the landscaping.

The H. G. "Pete" Niebrugges are sporting the new apricot and cream Buick that was first seen out here, Sunday. Mrs. Niebrugge also has a car now.

The Andersons are wondering if any of their neighbors are also entertaining the Flicker this season? He's a colorful little fellow but an unwelcome one when he pecks in the gutter early in the morning.

Several of our young people attended the youth rally in Chicago last Sunday.

If you are interested in having another dinner like the one we had earlier this month please contact Mrs. Anderson.

Alaska has a total area of 586,400 square miles.

Auto racing costs 30 lives and 43 critical injuries annually.

The only tin mines in North America are in Alaska.

Rice is used more extensively than any other food.

Higher Milk Prices at Farm Now Effective

Higher milk prices at the farm in the Chicago Market went into effect on Monday, April 16.

The price increase negotiated between Pure Milk Association and the Associated Milk Dealers on Wednesday will raise the price of fluid, or bottled, milk by 46¢ per hundredweight or 1¢ a quart. Federal action speeded up the effective date. Action by the USDA today, allowed a change in the minimum pricing system which is operated by the Federal Milk Market Administrator in Chicago.

The Secretary of Agriculture announced this action was taken in the interest of orderly marketing. The minimum price will be raised to the level of the negotiated pricing agreement. About 40 percent of the Chicago's market milk is used in Class I; therefore, dairy farmers will receive about 22¢ per hundredweight increase in their milk check.

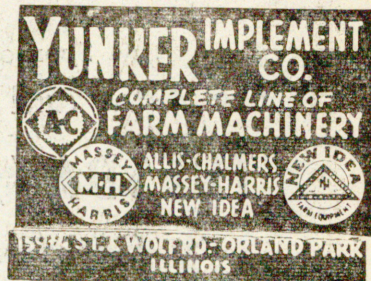

The special ruling by the secretary also applies to Federal Milk Marketing orders in Milwaukee, South Bend, Dubuque, Davenport, Moline, Rockford, Rock Island and Freeport.

The name England originated from the words Anglo-land.

Natl. Tea Keeps Up Million Pace

H. V. McNamara, president and chief executive officer of National Tea Co., today announced that the company's sales for the third four-week period of 1956 averaged well over the million dollar a week rate of increase over the same period of last week. This placed National back on its schedule of gain which was maintained thruout 1955, and begins to take

up any slack in sales gains reported for the first eight weeks of the year when sales increased averaged slightly less than a million a week.

Sales for the four weeks ending March 24 totaled \$24,069,208 for an increase of \$4,624,681 over the corresponding period of 1955 when the company reported sales of \$19,444,527. This is an increase of 10.38 per cent over a year ago, as compared with an increase of 6.29 percent for the first eight weeks of 1956.

McNamara has previously stated that the company's sales expectancy for 1956 is \$625 million, which would be a gain of about 9 per cent, and each succeeding period this year has brought his prediction closer to realization.

For the year to date the company has opened 17 new stores and four are relocations of other nearby stores which have been outgrown. This brings total stores in operation to 749, as compared to 718 at this time last year.

HIGHLIGHTS OF FARM LIFE

By W. F. Whiteside
Ass't. Farm Adviser
Cook County

I have received numerous telephone calls, letters and office calls regarding fertilization and care of lawns.

I would recommend a 10-10-10 or a 10-8-6 fertilizer at the rate of 25 pounds per 1000 sq. ft. The best time to fertilize is early spring (late March or April) or early fall (August or September).

The object is to feed the desirable turf grasses at a time when the growing conditions are most favorable.

One caution, be sure to apply the fertilizer when the grass is dry, and brush in with a broom or rake, or water it in with a hose. Fertilizer applied when grass is wet will burn the foliage.

When I tell people to use a 10-10-10 fertilizer they invariably ask for a brand name. This analysis fertilizer is manufactured under many brand names. The figures indicate the composition of the fertilizer. The first figure indicates the pounds of nitrogen, the second the pounds of phosphorus, and the third indicates the pounds of potash.

So a 10-10-10 fertilizer contains 10 pounds each of nitrogen, phosphorus and potassium in a 100 pound bag. The other 70 pounds contains filler and a fertilizer conditioner. Any brand name with the proper analysis will give satisfactory results.

With regard to mowing, I would recommend that, unless you have a bent grass lawn, you should not mow shorter than 1-1/4 inches. Mowing close will

slow the growth of the plants. Start mowing when the grass is 3 inches tall.

Most people spend too much time watering their lawns. Usually watering is necessary only in July, August and possibly September. Fortunately, during this period, lawn grasses are usually semi-dormant and not much water is needed—only enough to keep plants green.

Excess water will not stimulate grass to any great extent, but certainly will increase weed growth. When long dry spells make watering necessary, it pays to soak the soil to a six inch depth and relax for a week before watering again. Do this watering during cooler parts of the day.

Weeds in the lawn can be most effectively controlled by proper fertilization, proper mowing and watering when necessary. This produces a vigorous lawn which can effectively compete with weeds.

If weeds have gotten a head start, they may be removed mechanically or chemical weed controls may be employed. Weed killers containing 2,4-D will control such broadleaved weeds as dandelions, plantain and chickweed. Be careful to keep 2,4-D from vegetable and ornamentals as it will injure or kill these plants. Use 2,4-D as a spray or dust according to manufacturers' directions.

Many questions are asked about crab grass control. Some compounds have been used but results have been rather unpredictable. Sometimes eradication is complete and in other instances lawn grasses are injured.

Potassium cyanate and phenyl mercury acetate are compounds which have been used to kill crabgrass. Several applications according to manufacturers' directions when crabgrass is young generally gives best results.

Diseases requiring fungicide treatment are reared in bluegrass lawns. Bent grass is susceptible to brown patch and dollar spot. These may be controlled with mercury compounds. If you are interested in further information concerning lawns I would be glad to send you a circular entitled "How to Have an Attractive Lawn". This publication is printed at the University of Illinois and is free. My address is South St. and 66th Court, Tinley Park, Ill.

Carelessness In Filling Gas Tanks Can Be Fatal

There's a lot more to filling a tractor—and doing it safely—than just pouring in the fuel, says O. H. Haggitt, extension safety specialist at the University of Illinois College of Agriculture.

Whenever gasoline comes in contact with air, highly explosive vapors are formed. A pint of gasoline mixed with air has the power of nearly 11 pounds of dynamite. Handling gasoline carelessly—overfilling the tank or spilling the fuel—increases the chances of a dangerous and costly explosion and fire.

Gasoline vapors are three times heavier than air, and they are invisible. This makes it important to have your tanks outside of buildings so that fumes cannot collect in large quantities.

Always shut off your tractor engine before fueling, and take special care not to overfill the tank. If you do spill gasoline on the tractor, wait at least 10 minutes before starting the engine so that the gasoline will have time to evaporate.

Why let things burn that you worked so hard to earn?

"Litterbug" Season Here Again - Don't Be One, Says Hayes

Chas. M. Hayes, president of the Chicago Motor club, today appealed to citizens of Cook county, downstate Illinois and Indiana to cooperate with the Clean-up campaigns scheduled for their communities this month and next.

"While traveling about your community or in the urban areas, don't be a litterbug," Mr. Hayes told motorists, adding, "Throwing paper and other refuse out of car windows can mar the appearance of city, rural and recreation areas."

The motor club president declared that throwing food leftovers, cans and bottles from moving cars is not only unsightly, but it is an unsanitary and dangerous practice.

Strewing of refuse along the highway is an example of neglectful housekeeping, but more important, such rubbish can create a traffic hazard which can result in possible personal injury to children or adults.

It is best to carry food remnants and other garbage in your car until you find a disposal.

On Cruise

Albert LeRoy Ziegler EMFA "E" Division, USS Kearsarge of Mr. and Mrs. Al Ziegler, 181 Pine st., New Lenox, is now on seven months cruise in the Pacific. He celebrated his 20th birthday April 13, at Iwakuni, Japan.

Reader Viewpoint

(The following letter was sent to the Semmler Newspapers representative at New Lenox, Mrs. Leonard Anderson, from a local boy in service.)

Dear Mrs. Anderson: I've been receiving the New Lenox Press quite regularly since I've been on this cruise, and I decided to commend on what a fine job the staff is doing on the paper. They've done a remarkable job by placing important bits of news and interests in the paper to satisfy the wants of most anyone.

I've come to look forward to my copy of the paper, it gives me the sort of pep I need when I feel lonesome for home and friends. Practically everyone in my ship reads it and enjoys it as much as if it were from their own home town.

In closing I wish to urge you and the staff to keep up the fine work. It's a job well done and a credit to the community, to have a paper as informative as the New Lenox Press.

Very Sincerely,
Albert L. Ziegler, EMFA, 471-00-07, E. Div. USS Kearsarge (CVA 33), care Fleet Post Office, San Francisco, Cal.

Girls Learn This Dressing Business Faster Than Boys

A child likes to dress himself, just as he likes to dress a doll.

When your preschool child learns to dress himself, select garments that encourage and help him, says Carol Zillig, University of Illinois textiles and clothing instructor.

He may become discouraged easily, so choose garments that are easy for him to manage—ones that he can slip or pull on. One-piece garments are particularly easy for a child to handle. Indicate the front or back with a tape or thread.

Until your child has become used to the idea of dressing himself, you'll be wise to buy or make garments of one general style. For example, try to keep the openings in the same place. Front openings are easier for a child to manage than side ones.

Also, it's good to concentrate on only one type of fastener at a time so that he can master each gradually. Select garments with few fasteners too.

Fasteners tend to be the most difficult part of dressing for children. However, girls are more adept at this job than boys are.

Ample-sized arm holes and sleeves make dressing easier for a child and are more comfortable, too.

reports submitted by the 4-H members.

In the National 4-H Poultry award program, a new donor of awards, the Sears-Roebuck Foundation, is making available four gold-filled medals for winners in each county; an all-expense trip to the National 4-H Club Congress in Chicago for the state winner; and \$300 scholarships for six national winners.

Four county winners in the garden program will receive medals of honor. The Allis-Chalmers Mfg. Co. Tractor group also provides expense-paid trips to the club congress for state winners, and eight \$300 scholarships for national winners.

Incentives offered in the National 4-H dairy program by the Larro Sure Feed Division of General Mills include four medals for winners in each county; an all-expense trip to the club congress for the high-ranking member in the state; and six \$300 scholarships for national winners.

For the fifth consecutive year, the Hercules Powder Co. is providing the incentives in the entomology program. They include medals for four county winners, a trip to the club congress for the state winner, and a \$300 scholarship for each of the top-ranking 4-H'ers in the nation.

Complete information on the award programs is available at county Extension offices or from the state 4-H leader.

Distribution Vital Factor in Home Heating

The proper placement of the heat distributors is far more important than the total amount of heat given off by the heating system.

This is a rule for the selection of heating plants that will be helpful to prospective builders of new homes as well as owners of middle aged homes with heating plants that should be modernized.

It is not how much heat, but where the heat is directed that counts in determining comfort and fuel economy, says the Plumbing and Heating Industries Bureau.

It is for this reason that heating engineers prefer to install heat distributors under windows where they meet and counteract the stream of cold air which pours down the panes and leaks in around the sash. Heating engineers have another reason for preferring to place heat distributors along the outer or exposed walls, of a room. These are cold surfaces. By warming these surfaces, the radiant heat loss from the body does not exceed the comfort limit.

With hot water heating, the distributors such as baseboards, convectors, and radiators can be installed under windows and along the outside walls. Similarly radiant panel installations also provide a high degree of comfort because they permit close control of the radiant heat loss from the body.

Stock Yards Ask Aid in Locating Early Shippers

The Chicago Stock Yards is delving into ancient, dusty records and asking for help from anyone whose memory goes back more than half a century in an effort to find the names of individual to be honored at an awards banquet on June 14 next as a feature of its 90th anniversary celebration.

The task might not be so complicated were it not for the fact that many records were destroyed in the stock yards fire of 1934. For that reason, the Awards Eligibility Committee which will determine the winners, seeks the aid of individuals having first-hand knowledge of livestock farmers who have shipped animals each year to the Chicago market for 50 years or more.

Top guest of honor at the ceremonies to be held in the Grand Ballroom of the Stock Yard Inn will be the oldest active shipper to be selected from among the half-century group of award winners. Each will receive an appropriate plaque or cup in recognition of his contribution to the long and meritorious record of the Chicago livestock market.

The records being studied encompass shipments of more than a billion head of livestock. Nominations of livestock farmers for the honors must be made either

in person or by mail to the Anniversary Awards Committee, Room 116, Exchange Building, Chicago Stock Yards, not later than Tuesday, May 15.

Others to be honored include the oldest active livestock salesman, livestock buyer, individual trucker and railroad man, operating at the market.

All interests at the Chicago market are participating in the big celebration. The Awards Banquet is being sponsored by the Stock Yards Club of Chicago which represents a complete cross-section of the market-commission firms, livestock buyers, banks, packers and the Chicago Union Stock Yards.

YOUTH SPEAKS

GYM DEMONSTRATION by Marlice Ging

The seventh graders of Tinley Park school presented a gym demonstration on Friday, April 13 for the PTA. The demonstration included forward and backward somersaults, flips and cartwheels.

The following pupils performed the Charleston: Bill Zawada, James Casey, Richard Zawadzki, Gregg Nelson, John Szaton, Bob Hansen, Terry Devlin, Vernon Sloan, Bill Vander Veen, Judy Richardson, Audrey Johnson, Donita Heere, Twalla Johnson, Lois Kachalka, Barbara DeTalent, Penny Schmidt, Diana Steinmetz and Donna Larson.

Jim Hood and Bill O'Neill did a ballet to the Blue Danube Waltz. They wore long underwear and flowered scarfs and held a red balloon between them.

FORM BOWLING TEAMS

Sixth, seventh, and eighth grade pupils are being given an opportunity to bowl on school teams at the Tinley Park school. They are driven to the Tinley Park Bowling lanes every Friday after school by volunteer

Business and Finance

Maurice P. Angland

By Maurice P. Angland

It is rather generally recognized that STANDARD & POOR CORPORATION statistical reports and information on investment matters, is considered among the top such organizations in the country. Their service is used by most investment firms and banks. The "Outlook" of this firm for the summer, 1955, has recently been issued.

The "Outlook" states, "Underlying economic forces furnish the background for a continuing firm stock market in 1955, providing opportunities for selective buying. We foresee little likelihood of a serious decline in either business activity or stock prices."

"Even though 1955 was a record-breaking year, 1956 promises to do even better. The major difference is that the rate of gain is likely to be much slower." It goes on to point out that the action of the Federal Reserve in tightening credit and raising interest rates, will act to hold back any fast rise which might

threaten and avoid a boom-bust condition.

"For the year as a whole, production of goods and services in the United States will exceed \$400 billion for the first time in history. In other words, the gross national product is expected to show an increase of 4 per cent, as compared with the gain of 7 1/2 per cent recorded for 1955."

"Easing tendencies in some lines, notably automobiles and residential building, are in the nature of rotating adjustments, and are being offset by elements of strength elsewhere. All indications are that the three major purchasing groups (individuals, business and government) will spend moderately more this year than 1955."

"Expenditures by states and municipalities for roads, schools, and general operations are in an upward trend. Defense outlays by the Federal Government are again starting to rise, while non-military spending is continuing to mount. Business men have ambitious plans for expansion of plant and equipment over the next few years. For 1956 alone, such expenditures probably will exceed last year's total by about 15 per cent, establishing a new high."

"They continue to point out that although there are areas of unemployment (particularly in automotive industry) that the manpower and productive capacity are pressing close to the maximum limits, with wage rates and other income in an upward trend. Due to reduction in automobile purchases, it is expected that use of credit in installment buying will be down. It

expects about a 15 per cent reduction in automobile buying.

The report points out that although the Federal Reserve credit policies are now working to keep any inflationary trends under control, that should there be any reversal in the business trend, the Administration stands ready to assist business in the event of such a reversal.

"The report states further, 'The outlook beyond 1956 is also viewed with great confidence. Changes of major significance have taken place in the American economy since the end of World War II, the net effect of which has been to accelerate the rate of secular growth.'"

"They further state, 'It is quite conceivable, in our estimation, that the high point of this decade may prove to be the low point of the next decade.'"

The report is strongly bullish over the long trend for carefully chosen common stocks.

MOKENA

Mokena 3521-4151

CARD OF THANKS

I wish to thank my relatives and friends who sent cards to me while I was in the hospital; special Big Thanks to Milton Bettenhausen and Arthur Hostert who came to my aid and helped me at the time of my recent auto accident.

HENRY G. BRAUN

CARD OF THANKS

We wish to express our sincere thanks to everyone who participated in our broom sale held April 18. The success of our door-to-door sale could not have been possible without the generous cooperation of the Mokena residents.

WM. MARTIN POST 725, VFW

The two weeks old son of Atterney and Mrs. Raymond Hoohean was baptized last Sunday in St. Mary's church, with the pastor, Father Koops officiating. The name given was Patrick Aloysius. Sponsors were Mr. and Mrs. Edward Hart of Park Forest, former Mokena residents. Following the service dinner was served in their home to relatives and the sponsors.

Mr. and Mrs. Joseph Heisman of Bristol, Wis., spent the weekend with their daughter, Mrs. Harold Behen, and family in Woodland circle. At the same time the birthday of Paul Behen who was seven years old April 22, was celebrated. Mr. Heisman has just returned from the Veteran's hospital in Milwaukee where he had been a patient since January.

Mrs. W. H. Pitman spent several days with her daughter and family, Mr. and Mrs. Stanley Piper at Grant Park, helping to care for the children and Mr. Piper who were all ill with the mumps.

The Gordon Spiess are planning to build a home on their lot on First st., just east of the Dr. George Lengerich's home. Mr. and Mrs. Harold Spiess will entertain their Evening pinocle club next Wednesday evening, May 2.

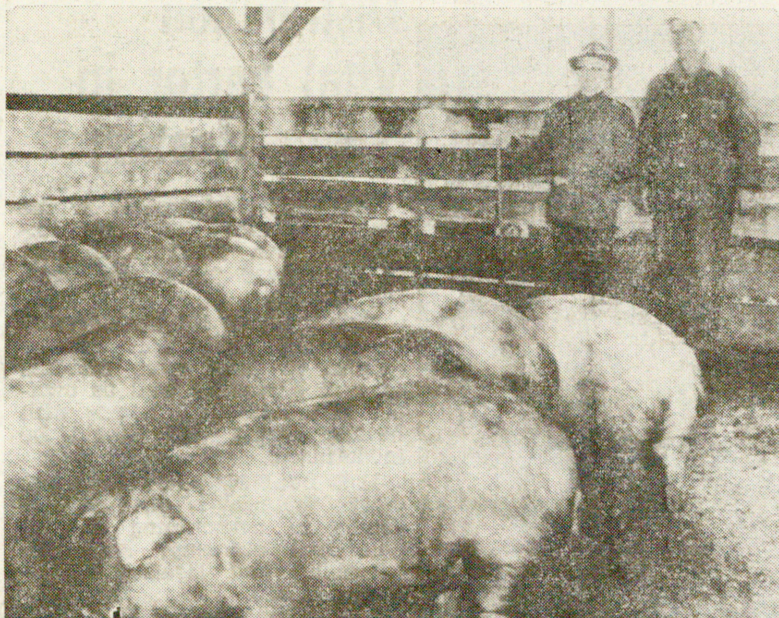

The Rev. and Mrs. William Riemann, and Mr. and Mrs. Adolph Steen attended the concert of the Casa Materna children's choir of Portici, Italy, in the Richard Street Methodist church in Joliet Monday evening. Their program consists of religious, operatic and folk music. The fine voices of the children sang in exquisite blending.

Mrs. Elmer Benson, Schoolhouse rd., is recovering from an annoying accident when a toe on her right foot was broken by a piece of meat falling on it as the meat was taken from her deep freeze.

Mrs. Phillip Hacker will entertain the Afternoon Pinochle club next Thursday afternoon, May 3.

Mrs. Charles Burkhardt Sr., underwent surgery in St. Joseph

A Lot of Park Chops and Shortenin'

Sixteen Chester Whites, averaging 216 pounds each, were sold by William Mager, Rt. 2, Tinley Park, at the Chicago Stock Yards last week at \$14.85 per hundred. Mr. Mager feeds a few cattle and raises about 100 hogs each year, but his main crop is tomatoes—10 acres of them.

hospital, Joliet, Monday. She is doing nicely, and is in room 302.

Rosemarie Munch entertained last week-end at a pajama party in her home. Guests were Jean Muren and Pat Rivera of Joliet and Charlene Moran of Minooka, all classmates in the junior class at St. Francis academy in Joliet.

Alvin Sorseson, Mokena village clerk who underwent minor surgery in Joliet last week, returned home Sunday and back to his work in Chicago Monday.

Washington News Letter

From Congressman N. M. Mason

Eight Facts You Ought to Know
1. A year ago the Hoover Commission found that we had given more than \$141 billion to foreign governments since the beginning of World War II.

2. Estimates of the total amount American taxpayers have been forced to disgorge for the benefit of foreign countries since the end of World War II varies between \$51 billion and \$67 billion.

3. American taxpayers must henceforth dig up each \$1500,000,000 in interest alone on the amount that foreign-aid hand-outs have increased our Federal debt in the last ten years.

4. While we were handing out these billions to contain Communism, the Soviet gangsters have extended their slave empire to embrace more than one-third of the earth.

5. One billion dollars of our foreign aid went to India. Nehru gave Khrushchev and Bulganin a royal reception recently, turning their visit into a triumphal tour. That is how Nehru shows his gratitude for our generosity.

6. Just before the last general election in England we gave Eden's government \$200 million so he could reduce British taxes and win the election.

7. Eden now proposes we settle the present quarrel between Israel and the Arab states by giving Israel the money needed to compensate 1,000,000 destitute Arab refugees who were driven from their homes by the Israelis.

8. Our European "allies" have been shipping 200 separate items of strategic machines and machine tools to Communist governments the past two years with the approval of our state department. These machines and machine tools can be used for the manufacture of jet engines, guided missiles, aircraft, artillery weapons, and heavy ordinance.

Vice-President Nixon

As a congressman who was closely associated with Dick Nixon in the House, I have definite convictions on the question that is in the minds of American voters today, namely: "Will

itself out of existence." The first two predictions have already come true.

Award Danforth Scholarships To Two 4-H'ers

Berniece Aden, 20, St. Joseph, Champaign county, and James L. Mueller, 20, Taylor Ridge, Rock Island county, are the Illinois 4-H'ers to win Danforth Camp scholarships this year.

These two outstanding Illinois 4-H Club members will spend two weeks in leadership training and outdoor life next August at the American youth foundation leadership training camp at Miniwanka on Lake Michigan near Shelby, Mich.

The Danforth Foundation sponsors this award. The foundation is a private family fund started by the late William H. Danforth, for many years chairman of the board of the Ralston Purina Co., St. Louis. The scholarship covers the cost of the two-week camping period.

Berniece and James were selected by the state 4-H club staff at the University of Illinois college of agriculture to represent the more than 65,000 Illinois 4-H members on the basis of their 4-H leadership and activities, scholarship and character.

Berniece has been in club work for 10 years. Her projects include 12 units of clothing and 17 garments, seven units of leisure hour activity and 106 articles, 27 units of food and 784

products, and three units of room improvement and 31 articles. She has been a delegate to State Junior Leadership Conference and served seven years as a junior club leader. She was also a winner of the Chicago trip sponsored by the C. & E. I. Railroad.

James, also a 10-year club member is a sophomore at the University of Illinois College of Agriculture. His 4-H projects have included swine, beef, poultry, crops, party-a-month, handicrafts and outdoor meals. He has attended junior leadership conference, been a junior club leader for five years and attended National 4-H Club Congress as a national winner in the rural arts and recreation awards contest.

Christian Science Churches

The unflinching, supreme justice of God, which brings freedom and peace in the measure that it is understood and adhered to, will be brought out at Christian Science services Sunday, April 29, in the Lesson-Sermon entitled "Everlasting Punishment."

Scriptural passages will include the following from Proverbs (3:11, 12): "My son, despise not the chastening of the Lord; neither be weary of his correction: For whom the Lord loveth he correcteth; even as a

father the son in whom he delighteth."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (542:1-21): "Let Truth uncover and destroy error in God's own way, and let human justice pattern the divine."

The Golden Text is from Proverbs (13:21): "Evil pursueth sinners; but to the righteous good shall be repayed."

Youngsters Can Register for Baseball

New Tri-County Loop to Carry Two Divisions

Registration of boys 9 thru 15 years of age who wish to play organized baseball will be held at the Tinley Park school from 7 to 9 p.m. on Tuesday, May 1 and Wednesday, May 2. The first tryouts will be held May 5 in Memorial park. This announcement was made by officials of the Tri-County leagues. Applications are being distributed today at Tinley Park and St. George's schools. Pupils of other schools can obtain them when they register.

Replacing the Wilco leagues of previous years, Tri-County is composed of two leagues: the Small Fry for boys 8 through 12 and the Babe Ruth for boys 13 thru 15 years. The three counties represented are Cook, Will, and Kaneke.

Formation of the leagues was made at a meeting held recently in Frankfort. Officers of the leagues, elected at that time were: Warren Baker, president; William Zinn, Tinley Park, vice-president; Al Rodger, Tinley Park, secretary-treasurer; and Wendell Morrison, Frankfort, commissioner.

Five Small Fry teams will be formed in Tinley Park; one traveling team and four home teams. Jack Casey, 6738 Tinley Park dr., and Frances Meakin, 6672 Pine Point dr., will manage and coach the Small Fry first team. Volunteers are needed to assist Phil Virtue in managing the remaining four teams. The Babe Ruth league of Tinley Park will be managed and coached by Reinie Meyer, 6612, 174th pl. and George Wagner, 6631 Parkside dr. Don Boston, 6639 Oak Park ave., is president of the Tinley Park leagues and Al Rodger, 6636 Riverside dr. is secretary-treasurer. Phil Virtue, 6649 Glenview dr. will represent the Tri-County teams as a member of the Tinley Park Recreation committee.

There are 12 teams entered in the Babe Ruth league; six from the north section and six from the south.

League officials request that each boy registering be accompanied by a parent.

Interested adults desiring to help in this program are requested to contact any of the aforementioned officers. Help is needed in preparing and maintaining the baseball field, in transporting the youngsters to out-of-town games, and in working with the four home Small Fry teams.

FROSH-SOPH AT SANDBURG WIN AGAIN

Coach Devine's frosh-soph walloped Reavis here Thursday night to win their third straight game. Collecting 16 runs on 10 hits they out hit and outscored the Reavis nine 16 to 8. Battery for Sandburg were Yurtis, pitcher, and Jostice, catcher. Sandburg played at Morton last Friday night in what was expected to be a tough challenge to the undefeated Eagles, and downed their host 5 to 2 for its fourth straight game without a loss. Playing a great defensive game the Eagles committed only two errors. Jerry Gorman collected two hits and Dick Wittington and Parks each drove in two runs to lead the Sandburg seven hit attack. Aird of Sandburg pitched an excellent game and allowed eight hits four of which were made by Svehla of Morton who had a perfect day at the plate.

Bobbles Cost Bremen Game With Reavis 9 to 8; Defeats Parks 2 to 1

Eight Bremen bobbles handed a 9-8 verdict to the Rams on the Reavis diamond last Thursday afternoon, April 19.

In the opening frame, Reavis scored four unearned runs on three miscues, a two-bagger, and a hit batsman. This was the story of the game as none of Reavis' runs were earned.

Jerrold Miller and Wayne Buttery, moundmen, allowed but four hits and whiffed ten Ram sluggers in six innings. Buttery was charged with the loss, his second against two wins.

With two out, Bremen came to life in the final inning. Roger Hug doubled to left center and scored on Bill Stolz's solid single to center, but George Stelmach fanned to end the contest.

The Braves' record in conference play stands at three wins and two set-backs.

Orland Boys to Report Sunday for Tri-County Berths

Orland Park boys, ages 9 thru 12, unless their 13th birthday falls before Aug. 1 may sign up for play in the Small Fry division of the Tri-County league. They are to report at the Orland Park grade school Sunday afternoon, April 29, at 1:30 o'clock.

Boys who want to play in the Babe Ruth division, this is for youngsters 13-14 and 15 years old unless they will be 16 before Aug. 1 are to report at the school at 2:30 o'clock.

Practice sessions will begin May 1. Members of the local committee are Bill Zinn, who is vice president of the Tri-County league, Elmer Libner and Larry Doyle.

SET DATES FOR FOWER RACES AT MANTENO

Committees from the Outboard Club of Chicago and Manteno Sportsman's club met at Manteno to discuss outboard races to be held there sponsored by the Outboard Club of Chicago. Races are to be held on Sundays, June 3 and August 5, with the probability of other dates being added to the schedule.

Those attending the meeting from the Outboard Club of Chicago were: Jim Jost, River Grove, Ill.; Jack Maypole, Oak Park, Ill.; and Dick Hickock, Laur Gonia and Bob Seeger of Chicago. Representing the Manteno Sportsman's club were Oliver Sheffer, Wilbur Benjamin, Harold Meyer, Fred Cochran, Dan Sheffer and Milo Hendrickson, all of Manteno.

For the first time, outboard equipment (custom-built motors powered by a mixture of methanol and castor oil) will be presented at Manteno. These motors are the fastest used on outboard boats, exceeding speeds of 65 m.p.h., and running with open exhausts. Both hydro and runabout classes will compete on the sporty 5/8 mile oval, which provides spectators with an excellent view of the entire course. The tremendous acceleration of these motors offers viewers maximum thrills and action, as compared to the slower stock equipment which has raced on the course previously. Drivers from all over the Midwest, including many national champions and trophy winners, bringing with them some of the finest equipment in the United States, will compete for the top prize money being offered.

Interested adults desiring to help in this program are requested to contact any of the aforementioned officers. Help is needed in preparing and maintaining the baseball field, in transporting the youngsters to out-of-town games, and in working with the four home Small Fry teams.

League officials request that each boy registering be accompanied by a parent.

Interested adults desiring to help in this program are requested to contact any of the aforementioned officers. Help is needed in preparing and maintaining the baseball field, in transporting the youngsters to out-of-town games, and in working with the four home Small Fry teams.

HORSE SHOW AT RIDING CLUB AT NEW LENOX HOLDS DINNER

The Frances Reker School of Horsemanship in Tinley Park opened the outdoor horse show season for Chicago on April 15. Many children and adults from the area participated in the 14 class events. The Mounted Jr. Rangers served refreshments and lunch for the all-day horse show. They also put on an exhibition of their drill team. Morgan Park Military academy cavalry had many entries. Co-chairmen of the show were Diane Lipinski of Mt. Greenwood and Jo-Ann Miller of Roseland. The judge of the show was Fred Kitzing of Town and Country Equestrian Association.

Winners for the day were: In the Sun-Times championship class, first place honors went to Nancy Cairnes, Palos Park; second, Chipper Reker, Tinley Park; third, Clara McGinnis, Beverly; fourth, Donna Reker, Tinley Park; fifth, Terry Stoeker, Mt. Greenwood; and sixth, Jo-Ann Miller, Roseland. The trophy in the Western Pleasure event went to Honey Knudson, Beverly; second, Bill Hartley, Beverly; third, Terry Stoeker; and fourth, Carol Kockalka, Tinley Park.

The boys' team won the relay race: Bill Hartley, Chipper Reker, Bill Rutz, Harvey; and Tom Bush, Oak Forest. The winner of the Forward seat horsemanship was Terry Stoeker, second, Donna Cairnes, Palos Park; third, Nancy Cairnes, and fourth, Diane Lipinski, Mt. Greenwood.

Diane Lipinski also rode her horse "Sir Jim" to victory in the open jumping class. Second place went to Bill Hartley, third, Bonnie Boonvieve, Beverly; and fourth, Nadine Obler, Mt. Greenwood.

The blue in the balanced seat equitation was won by Mary Ann Milbourne, Worth; second, Ann Squibbs, Beverly; third, Sara Thornton, Beverly; and fourth, Ann Marie Hawkey, Beverly.

The western parade trophy was claimed by Jo-Ann Miller, Roseland; second, Diane Lipinski; third, Lois Warner, Oak Forest; and fourth, Bill Hartley.

Donna Reker, and Terry Stoeker, took top honors in the pair class; second to Donna and Nancy Cairnes; third, Bill Hartley, and Chipper Reker, and fourth, Diane Lipinski, and Jo-Ann Miller.

The English pleasure class was won by Connie Murray, Hammond, Ind.; second, Susan Lipinski; third, Page Owen, Evergreen Park; and fourth, Ann Lindroth, Beverly.

Lorrie Warner of Orland Park captured first place in the Indian ride (backpack jumping). Second was Jo-Ann Miller; third, Bill Hartley; and fourth, Barbara Wilson, Tinley Park.

Balanced seat (walk, trot) was won by Pam Cripe, Morgan Park; second, Linda Lawler, Oak Forest; third, Johnny Lawler, Oak Forest; and fourth, Evelyn Dunnham, Beverly.

Russell Batz of Willow Springs was the winner in musical chairs.

In the costume class, Diane Lipinski was judged to be the most beautiful; Honey Knudson, Beverly, was the funniest; and Susan Lipinski, the most novel.

The balloon break-in contest was won by Barbara Wilson of Tinley Park. In the final class of the show, the Championship class, Terry Stoeker, was judged to be the grand champion, and Nancy Cairnes, reserve champion.

HURLS NO-HIT GAME-LOSES

Dave Andersen, on the mound for the Sandburg Eagles against Reavis in a varsity baseball game, hurled a no-hitter but lost 1 to 0 on a wild pitch.

It was the last half of the last inning—the seventh. Reavis had a man on third when Dave lost control of a pitch and it went sailing wild and free the Reavis man came in for the only score of the game.

Jim Gray and Bob Chatlosch banged out the two hits tallied for the Eagles but they didn't come together and Sandburg was unable to score a run. Each team made two errors.

Supporters of the Knights had hopes from the auspicious opening. In the first inning the two Rons—Studnicki and Hughes scored a run each to give Lincoln-Way a 2-nothing lead, but lead and a lot of hope went glimmering in the Oak Lawn half of the inning.

That team battled around with only one out and piled up five runs before the third out brought respite to the visitors.

In the fourth and fifth innings Lincoln-Way scored one run in each but Oak Lawn was busy too and had added two more runs to its total in the third and fourth innings.

Batting averages compiled for the Lincoln-Way squad thru April 19 show the Knights are in need of more power at the plate. There are 16 on the squad. Nine of the players are without a mark and the averages for the remaining seven range from .083 to a thumping .600 for Ron Hughes who has banged out six hits in 10 at bats.

Ron McEathron of Oak Lawn was the winning pitcher and Dave Zechlin the losing one.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The annual meeting of Barnett Cemetery association will be held Saturday, May 5 beginning at 1:30 in the Homer church. The terms of trustees James Frazer, Merritt J. Cagwin and George Milton expire May 1. Also Owen Ott who was named to fill the vacancy caused by the death of Richard Gorham is willing to act if he is elected, and Angelo DePra is willing to fill a three year term vacated by the death of David Murray. If you wish to submit other names for consideration for these appointments, please advise the secretary, Mrs. Wilbur A. Francis before the annual meeting.

The Little Women 4H club met recently in the M. E. Cagwin home. Representatives elected for the 4H Federation were Carole Schifler, one year; Bonnie Cagwin, two years with Joy Ann Purdy and Glenda Schifler as alternates. The cooking class met Saturday at Cagwin's and the Sewing class last Friday evening at Carole Schifler's.

Clarence Reed of Decatur was a recent visitor in the home of his nephew, George Burcham. Mr. and Mrs. John Ohla are the parents of a son, John Jr.

born April 19 in Silver Cross hospital. Mrs. Ohla is the former Mildred Jungles.

Hadley school pupils with their teachers, Mrs. Jensen and Mrs. Ransom, and 11 mothers, enjoyed a bus trip to Chicago Friday, where they visited the Airport and the Ford plant.

James E. McGinnis of Chicago has been issued a building permit for a six room home on the east side of Cedar road south of 143rd st. the cost to be \$10,000. Mr. and Mrs. Willard Rowley, Jr. are the parents of a daughter born in Silver Cross hospital, April 16. Her name is Deborah Susan. Mrs. Rowley and "Debbie" are spending a few days with the former's sister, Mrs. Jerome Pad dock.

The infant son of Mr. and Mrs. Joe Warren was baptized in the Homer church Sunday morning. His name is John Patrick. Acting as God parents were Mrs. Warren's sister and husband, Mr. and Mrs. George Lynch of Chicago.

Mrs. F. J. Paddock spent a few days in the home of her sister and brother in law, the John Lefflers at Naperville, during the past week.

The Wayside Workers circle of Kine's Daughters will meet at the Homer church Thursday afternoon, May 5. A sale of plants and miscellaneous articles will be a feature and the money from the sale of coupons will be turned in that day. Mrs. Robert Burch and Mrs. Robert Shepherd will be the hostesses.

A prowler entered the basement of the Darrell Shepherd home early Friday evening. Mrs. Shepherd, hearing a noise, went to investigate and discovered the stranger who had a flashlight and was eating an apple from her supply there while eiving the canned fruit speculatively. She screamed at him to leave, which he immediately did, and ran east down the road to Delbert Shepherd's where he took to the field. Hearing his wife scream, Sparky who was working in his garage, ran toward the house and followed closely at the intruder's heels. After a long sprint the fellow was overtaken, and with the help of Robert Shepherd who followed in a car, he was taken to the Joliet police station and jailed for the night. He told a garbled story of breaking down in a truck, being hungry, losing his way, etc. Also he seemed to have forgotten his name. He was about 35 years old and was wearing clothes such as do many truck drivers.

The Sunday Tribune reviewed a book this week called "Everybody's guide to the Stock Market" written by H. M. Finley, of Lockport well known here as a former Homer church pastor. The Tribune calls the book good advice, but not guaranteed to produce millionaires.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The April meeting of the Marley Missionary society was held on Wednesday afternoon in the home of Miss Helen and Miss Caroline Tilsy. The assisting hostesses were Mrs. C. F. Haley, Mrs. Charles Ulrich, Mrs. Ralph Bell and Miss Agnes Haley. The program on "Indians at Bacone College in Oklahoma" was presented by Mrs. Russell Lauffer. After the meeting a bakery sale was held to benefit the Ways and Means committee.

A group of members of the Marley Missionary society went to Plano Monday to attend a Baptist association meeting. Those attending were Mrs. James Tilsy, Mrs. Royal Corp, Mrs. Francis Nelson and Mrs. Adella Sproat.

About 50 pupils and mothers of the Hadley school went on a bus trip Friday to Chicago. They toured the Ford plant where they also had their lunch. In the afternoon they went to Midway airport for a tour of the United Air Lines.

Mr. and Mrs. Don Reid spent the weekend in Ohio where they attended a rabbit show.

Mr. and Mrs. Louis Sass were entertained at dinner Sunday in the home of Mr. and Mrs. N. B. Armstrong in Joliet.

The Freeman Fellowship met at the Russel Lauffer home Sunday night to watch the television program, "The Sunday Evening Club Hour."

Mrs. Stanley Coe, accompanied by her aunt, Mrs. Hattie Mitchell of Pontiac, attended the WMF meeting Tuesday in the First Presbyterian church in Joliet.

Charles W. Lahman is a surgical patient in Silver Cross hospital.

Mrs. Ellen Nelson is spending this week with her son and family, the Alvin Nelsons in Chicago.

Mr. and Mrs. Stanley Coe attended the 25th wedding anniversary of Mr. and Mrs. Hjalmer Wilson of Minooka, in the Zion Lutheran church in Lockport Sunday afternoon.

Miss Betty Anderson was an overnight guest of Miss Alma Lauffer Sunday.

Mrs. Lena Cutler spent the weekend with Mrs. Adella Sproat. Mrs. Victor Zaloudek, Mrs. Don Reid and Mrs. Loren Sass attended a program of "Pointers for the Home Organist", given by Porter Heaps, at the Methodist church in Beverly Hills Wednesday evening.

Sunday guests in the home of Mr. and Mrs. Charles Ingram were Mr. and Mrs. Robert Glaum and children Shirley and Carl of Park Forest.

Mr. and Mrs. Stanley Coe were guests Sunday evening of Mr. and Mrs. Frank Borden in Joliet.

Mrs. Adella Sproat and Miss Bessie Sproat were guests of Mrs. William Kase in Cherry Hill Tuesday.

CARD OF THANKS

We wish to thank our relatives, friends and neighbors for their many acts of kindness and sympathy extended to us during our recent bereavement in the death of our father Fred Burger; also for the beautiful floral offerings.

THE SHORTINGER and BURGER FAMILIES

The WSCS of the Methodist church will hold their Mother and Daughter banquet Thursday evening, May 3, in the church parlors. Miss A. F. Esdale of Chicago will be the speaker. Mrs. Earl Bettenhausen and Mrs. Elmer Morrison are in charge of the tickets.

Mr. and Mrs. William Deist were the honored guests Sunday evening when their children Mr. and Mrs. Walter Schoen, Diane and Dale, Mr. and Mrs. Glenn Wanning and Mr. and Mrs. Marvin Pomykala entertained them at dinner at Valley View in honor of their 42nd wedding anniversary.

Mr. and Mrs. William Rahm were dinner guests Sunday of her sister and husband Mr. and Mrs. Emil Deist at Wilmington.

On April 15, Miss Berniece Beckman, daughter of Mr. and Mrs. William Beckman, was honored at a miscellaneous shower in the home of Mrs. Fred Beckman. Co-hostesses were Mrs. Walter Gress and Carol. During the afternoon various games were played. Prizes were awarded to Mrs. George Beckman, Miss Bonnie Beckman and Miss Audrey Zielstra. Duplicate prizes were presented to the bride-to-be. After the honored guest had opened her many lovely gifts, a delicious luncheon was served. Guests came from Monee, Frankfort, Mokena, Tinley Park, Beecher and Crete.

The Women's Guild of the St. John church of North Peotone

will hold their regular monthly meeting Thursday afternoon, May 3 in the church parlors. Mrs. Vernon Werner, president, will preside at the business meeting. The worship leader is Mrs. Milton Werner. The topic "The Committed Christian Worships Regularly." Rev. Ernest Gander will be the speaker. This month will be "Birthday Table" month with Mrs. Norbert Behrens, Mrs. John Bisping and Miss Elsie Schwiesow in charge. Hostesses will be Mrs. Ray Nieland, Mrs. Anna Schaefer and Mrs. Alfred Schmidt. The visiting committee for May, June, July and August are Mrs. Anna Toepfer, Mrs. Anna Schaefer and Mrs. George Bobzin.

The Rev. and Mrs. John Vautrin and daughter were dinner guests Sunday of Mr. and Mrs. William C. Bettenhausen.

The Youth Fellowship of St. John's Evan. church of North Peotone met last Thursday evening. Kenneth Piggush conducted the business meeting. Movies were shown. The program was in charge of Howard Gast.

The Junior Adults of St. John church will meet this Friday evening at 8 pm. at which time a panel discussion will be held.

Serving on the panel will be Mrs. Ernest Gander, Mrs. Norbert Behrens, Mrs. Christiansen, Mrs. Raymond Sippel and Gilbert Sippel. Refreshments will be served by Mr. and Mrs. Glenn Jacobs and Mr. and Mrs. Glenn Nagel.

Mr. and Mrs. Frederick Uthe and family were Sunday evening dinner guests of her sister and family, Mr. and Mrs. Harris Darling at Chicago Heights.

The PTA met in the school last Friday evening with Frederick Uthe presiding. The two new officers, Mrs. Earl Christiansen, vice president, and Mrs. Arthur Anderson, secretary, were installed.

"Boners Schoolroom," a skit given by parents with Mrs. Rich and Nieland as schoolteacher and her scholars were Mrs. Earl Bettenhausen, Mrs. Anna Brader, Mrs. Kenneth McCarty, Mrs. Gil-

bert Sippel, Mrs. Carl Toepfer, Mrs. Harry Palmer, Mrs. Clarence Schroth and Mrs. Donald Wilke. Mrs. Ray Canterbury was the director.

Plans were made to hold their annual school picnic Sunday, May 27 at Racoon Grove at Monee with a potluck dinner, each to bring their own table service.

Buetel Herd Tops In Will Production In No. 1. Association

The Brown Swiss herd of George Beute & Sons, Mokena, led Dairy Herd Improvement Association No. 1 in March with an average production per day of 34.2 pounds of milk and 1.33 pounds of butterfat.

Other high averaging herds in this association last month, all Holstein, were as follows: Walter Laufer, Tinley Park 34.2-1.33; Melvin J. Heisner, Peotone, 36.6-1.31; Valy & Homering, Frankfort, 37.0-1.30; Louis & Wilbert Laufer, Mokena, 34.6-1.27.

Henkview Farms, Tinley Park, had the first four high producing individual cows in March with 2195-90, 1754-90, 2058-88, and 2365-80, respectively. These cows are Holstein.

A Holstein owned by Valy and Homering took fifth place with 1956 pounds of milk and 80 pounds of butterfat.

Loren Williams is tester of this association. The Holstein herd of Russell Piper, Frankfort, led Dairy Herd Improvement Association No. 2 in March with an average pro-

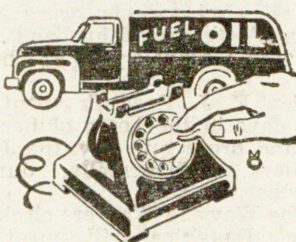

duction per day of 45.5 pounds of milk and 1.75 pounds of butterfat.

**Its
power packin' punch
put it No.1 in V-8 sales**

**And now Ford's new 225-h.p. engine
gives you even hotter performance!**

Today's biggest trend in automobiles is to the V-8 engine. That's because today's car buyer demands performance. And latest sales figures show that the Ford V-8 with its power-packin' punch is the largest-selling eight in the world! Official figures for 1955 show that 346,373 more people bought Ford V-8's than bought the two other low-priced eights combined!

But now Ford is setting an even hotter V-8 pace by making available the biggest engine ever offered in the low-price field. It's the Thunderbird Special V-8—and you can order it now in Fairlane and Station Wagon models. This engine has a displacement of 312 cubic inches and delivers 225 horsepower. It whisks you from "whoa" to GO as you've never gone before!

And Ford gives you that wonderfully long, low look of the Thunderbird in all of its '56 models. You get new Lifeguard Design, also, to help protect you in case of accident. Test Drive this great new '56 Ford... today!

You get more GO for your "dough" in a

Number's Lover's Corner
 Answers
 1. NINE FIGURE NUMBERS
 The first number is 987654321
 Second number is: 123456789

864197332
 2. STEPPE BY STEPPE
 FROM OMSK TO MINSK . . .
 10 Miles
 FROM OMSK TO MINSK . . .
 10 miles
 If you start your diagram from the statements in 3 and 4, you'll draw two lines of undetermined length, one north and south, the other east and west, with MONSK at their intersection. Then MINSK is below, OMSK is above, and OMSK is to the left (west) with MINSK to the right (east).
 Statements 5 and 6 locate AMSK and MANSK and provide a scale of miles to work with, while statements 1 and 2 reveal that you are dealing with the equal diagonals of perfect squares, which have a common corner at MONSK.

Your diagram will further show that the squares are at right angles to each other, with a 6-mile side of one perpendicular to an 8-mile side of the other. Hence the required distance can quickly be found by the old "pons asinorum", giving the length of the hypotenuse as just 10 miles.

THIS WEEK'S PUZZLES
 1. The Hypocritical Archeologist

There was once an archeologist who said that he had found a bronze coin marked 649 B. C. People believed him at first, but soon discovered that he must have been telling a falsehood. How did they know this?

2. The Basket of Eggs
 A farmer went to the city one day with a big basket of eggs to sell. The first customer bought half of the eggs in the basket and, for some reason best known to himself, half an egg. The second customer bought half of the eggs that were left and half an egg. Likewise, the third customer bought half of what was left and half an egg. The farmer then had just 3 dozen eggs left. All the eggs were whole when he started, none of them were broken during the bringing and selling, and those he had left were unbroken. How many eggs did he have when he started out?

3. How Far to Dunham?
 A man who lived in the village of Dedham had an appointment one day with a friend who lived in Dunham. He planned to start from Dedham at noon and ride his bicycle. Before leaving, he figured that if he rode 15 miles an hour he would reach Dunham an hour too soon, but if he rode 10 miles an hour he would arrive an hour too late.

What is the distance between Dedham and Dunham, and at what speed did the man ride to make his appointment on the dot?

Wade's Rabbits Win Recognition
 Rich Wade seems to be spending less time in the office these days than formerly and can often be found in the science department. In an exclusive interview he revealed the reason—four tiny cottontail rabbits about three weeks old. Rich, Bill Hoyt and Jerry Collins discovered them in their still warm nest on April 9 and "liberated" them.

Each morning the rabbits ride to school with Rich and Bill, whose sister drops them off on her way to work. Bill helps Rich care for them and provides the hay for their box. Mr. Ellerman and Mr. Hardy are acting as advisers.

Every three hours Rich wanders into the home ec department to get the ingredients for their feedings. He mixes the "formula" of milk and sugar and administers it to the four in succession from one doll's nursing bottle. Until last Friday he was feeding them with an eye dropper but bought the bottle at Mr. Hardy's suggestion.

Modestly, Rich stated, "I'm a good mother to them. I give them the best care. They averaged fifty-two grams apiece when I got 'em, and now they average seventy-six. Each gains about three grams a day." He added that he keeps them in his room at night.

Asked whether his charges have different personalities, Rich replied that one is antisocial and sits by himself in the box. As for future plans, Rich says he intends to cross them with domesticated white rabbits.

Science Students Win Awards

Seven Lincoln-Way students attended the district meeting of the Illinois Junior Academy of Science at Naperville on Saturday April 14. First place awards were received by John Weber with his project "Stereophonic Sound"; Ralph Eisenbrant with his multi-channelled intercommunication system; and LeRoy Bitter with his project on a musical light beam. Second awards were given to Rudolph Guzik for his "Zone Electrophoresis", Robert Olson for "Manufacture of Matches", Everett Hauck for "Modern Petroleum."

In the field of club activities the Phi-Chem Association's entry depicting their activities throughout the year received a first award. James Cooper, retiring president of the Phi-Chem, exhibited the project. First awards will be exhibited at the state meeting in Springfield on May 4 and 5 when they will be in competition with 600 projects from all parts of the state.

George Burrow and H. Neil Hardy supervised the preparation of the projects and accompanied the students to Naperville.

National Commercial Contest

Tests for the various sections of the 14th annual commercial contests were taken by Lincoln-Way business department students on Monday and Tuesday, April 16 and 17. Contest is sponsored annually by Teaching Aids Exchange, Modesto, Calif. and is administered by local staff members in their classrooms.

Lincoln-Way contestants participated in the following sections:
 1. Typewriting contest which consists of a 15-minute timed writing on straight copy material. There are three divisions to the typewriting section: the novice for those students who have all their typewriting training since August 1955; the amateur for those students who have had all their training since August, 1954; and the unlimited division for those high school undergraduates with more than two years' training. Lincoln-Way did not have any entries in the unlimited division.

2. Bookkeeping consists of 200 objective (true or false, completion, multiple choice and matching) questions for first year bookkeeping students. Topics covered by the test were: basic principles, general journal, debits and credits, work sheet, business forms, profit and loss statement, interest, discount and depreciation, classification of accounts, accrued and deferred items, adjusted balance, balance sheet, trial balance, recording transactions, special journals, business terms, adjusting entries, closing entries, reversing entries, ledger, post-closing trial balance, notes and drafts.

3. Shorthand contest which consists of a theory test and a dictation test. Two hundred theory words are dictated by the teacher. The student must write all of them in shorthand and then go back and transcribe the words. All of this must be done within a 55-minute time limit. The dictation test consists of a business article and a business letter, each three minutes in length. These may be given at 60, 80, or 100 words a minute. Transcription must be on the typewriter. Lincoln-Way students were given the 60-word section of the shorthand test.

Eleven students took the shorthand test, seven the bookkeeping test, eighteen the novice

typewriting test and eighteen the amateur typewriting test.

Homemaking Highlights

Three important visitors will be visiting the home economics department on Tuesday afternoon, April 24. They are Miss Frances Henry, Mrs. Amber Ludwig, and Miss Freida Braecklein, all associated with the magazine "What's New in Home Economics." This magazine, devoted entirely to home ec, is considered a "must" in every school home economics department. Miss Henry is textiles editor of the publication, Mrs. Ludwig, equipment editor and Mrs. Braecklein production manager. The purpose of their visit is to check the equipment of the department. They are especially interested in the practical arts program at Lincoln-Way and are considering an article for their magazine which will feature the program.

The F.H.A. sponsored a Daddy-Date Night on Tuesday, April 17. Twenty-seven girls and their fathers enjoyed refreshments, pie, coffee and soft drinks and played charades. Janet Korsgaard was chairman of recreation and Janet Feil was chairman of the refreshment committee. After the refreshments and games some of the girls and their fathers enjoyed the corec and sock hop.

Wednesday night, May 2, will be presented before the P.T.G. All the practical arts and homemaking students will model the garments they have made. The style show will begin at 8 p.m. in the cafeteria.

Honored as Junior Historian

For the second straight month one of Lincoln-Way's students has been selected as Junior Historian. Terry Schroeder was awarded this honor in recognition of an article which he wrote about the Sauk Trail. Terry's article appeared in the April issue of the Illinois Historian.

The article describes the beginning of the Sauk Trail and traces the history of the trail thru the years.
 These honors have aroused considerable interest in the history of our communities. This article was written in conjunction with a unit in local history in the English and social studies classes.

Attend State Convention

The officers of the I-W Industrial Arts club will attend the state convention at Moline on April 27 and 28. At this time officers for the coming year are voted upon by the state officers of the Industrial Arts Clubs in the state. Boys from Lincoln-Way who will attend the convention are Ron Fredin, Ron Studnicki, Rich Bailey and Don Carter. They will be accompanied by their adviser, Mr. Joseph Kruzich.

F. B. L. A.

Mrs. Cahill of the personnel division of the Ford Motor Co. in Chicago was the speaker at the F.B.L.A. meeting on April 19. She told the requirements for getting a job with the company, stressing that they would be hiring a number of high school graduates who are looking for full-time jobs. Several of the students were interested and are planning on arranging later for personal interviews.

Both boys and girls will be needed for office positions and boys may also seek employment in the factory.

Conference Music Festival

Final selections from the L-W band for the conference music festival were made by Robert Taylor, director. Lincoln-Way was permitted to send one flute, one oboe, one bassoon, three B-flat clarinets, two base clarinets, three cornets, one baritone, two basses, one alto saxophone, one tenor saxophone, one baritone saxophone and two percussionists.

Paul Schuh, flute; Diane Batson, oboe; Larry Cullison, French Horn; Rudy Guzik, bassoon; Linda Ruhle and Judy Christensen, bass clarinets; Ken Case and Virgil Hammond, bass.

More people named Jones* own Chevrolets than any other car!

*Of course we haven't actually counted all the Joneses. But it seems a safe guess. Because this year—as they have year after year—more people are buying Chevrolets. And 2 million more people drive Chevrolets than any other car. Maybe you ought to come in and see why this is so.

(Are you keeping up with the Joneses?)

mann and Mrs. Robert Mitchell enjoyed a field trip, to the natural History Museum in Chicago Wednesday. Next Wednesday, May 2, the 7th grade with their teacher, Miss Barbara Wiebelitz and room mother, Mrs. George Waldvogel will take their field trip to the Historical Society at Lincoln Park in Chicago.

The WSCS of the Methodist church will meet Thursday, May 3, beginning at 1:15 p. m. with a dessert-coffee. Hostesses will be Mrs. Marian Bell, Mrs. Charles Bell and Mrs. Walter Grotewald. Mrs. Jacob Hostert will preside at the business meeting. Mrs. Walter Carlson will have charge of the devotion and the program will be given by Mrs. Wendell Morrison. Election of officers will follow. Mrs. Marie Bettenhausen, Mrs. Harry Miller and Mrs. Henry Heusser are on the nominating committee.

Mr. and Mrs. Dale Krohn and family of New Lenox visited with her parents, Mr. and Mrs. Herbert Minger, Saturday night. Mrs. Herbert Folgers and Mrs. Frank Heimer attended the Executive board meeting of the Will County League of Women's clubs held in Joliet Tuesday.

Delilah Kay was the name given the infant daughter of Mr. and Mrs. Herman Kuse when she was baptized Sunday afternoon by the Rev. Adolph Ulrich in the Good Shepherd Lutheran church. Her sponsors were Mrs. Paul Groth and Henry Kuse. A 5 o'clock dinner was served in the parents home. Guests beside the pastor and his wife and sponsors were, Mr. and Mrs. John Kuse Sr., the Misses Amanda and Emma Kuse, Daniel Lauffer of Blue Island, Mrs. Henry Kuse and family and Mrs. John Kuse and daughter.

The Brotherhood Cabinet of Northern Illinois synod will have a meeting next Sunday afternoon April 29 in St. Peter's church. Mrs. Kenneth Heusinger underwent surgery in Silver Cross hospital Monday.

The Rev. and Mrs. Erich Bizer and the Rev. and Mrs. William Reimann of Mokena attended minister's meeting at Gilman last Friday.

Mr. and Mrs. Henry Breidert of Briar Wood entertained at a dinner in their home Sunday. Guests were her sister and families, also the Rev. and Mrs. Erich Bizer, Dr. and Mrs. W. V. Hedges, Mr. and Mrs. Fred Heisner and Mr. and Mrs. William Wilson.

Mr. and Mrs. Ralph Dralle attended the Cubs baseball game Friday afternoon at Wrigley field, Chicago.

Mr. and Mrs. Lynn Kohlhaugen were called to St. Louis, Mo., last Saturday by the death of her father, Walter Barton who died in the hospital that day following a short illness. He was 58 years old. The funeral was held Monday and the Kohlhaugens returned last Wednesday.

Five members of the Honey Bees 4H club attended the Share the Fun night held in Farragut school in Joliet April 19. They presented a skit on which they won an 'A' award.

The Auxiliary to the Bobzin-Swinford American Legion post 1099 sponsored a bingo party Monday evening for the veterans at the 40-8 convalescent home in Orland Park.

Dr. and Mrs. W. V. Hedges recently spent a week end with

Edward Mrosek Sr. attended a 4H fair board meeting at the Farm Bureau in Tinley Park, Wednesday evening.

Mrs. John Cruise attended a committee meeting in the home of Mrs. Clifford Horn in Orland Park, Wednesday, where scout activities were planned and discussed.

Cub Scouts, den 5 of pack 218, held their regular weekly meeting in the John Cruise home, Thursday afternoon. Members reviewed their bird project for the last time. Since next month is nature month, field trips to collect foliage were planned.

Cub Scouts, den 5, attended the Friday evening meeting of pack 218 in the Legion hall, Orland Park. The bird house and bird feeder projects of the various dens on display showed much imagination and artistry. One bird house was actually equipped with a television aerial. Den one displayed bird feeders made from pie plates. This den also had on exhibit a tree limb which had a tiny bird's nest in the crotch of a branch. A bird made from a candle added interest to the exhibit.

Three members of den 5 received awards. They were: James Nemeth, who received a gold arrow for completing 10 activities; James Walker, a silver arrow for completing 20 activities and Jimmy Cruise, 2 silver arrows for completing 30 activities. Cub Scouts are awarded gold arrows on completion of their first 10 activities and a silver arrow for each 10 activities completed thereafter.

Mrs. Charles Bezdek and Mrs. John Lohmann, both of Alpine, spoke on "Watch Your Step as an Exchequer" at the regular monthly meeting of the Orland unit of

the Home Bureau held in the home of Mrs. Katherine Ihlenfeld Friday. Their talk concerned budgeting and saving of money by the rural family as advised in publications from the University at Urbana.

Also present were Mrs. Eric Enblom, Mrs. Frances Beck, Mrs. E. C. Sayers, Miss Clara Myrick, Miss Mary Ginder, Mrs. Nick Cecic, Mrs. H. Andresen, Miss Lillian Mattsen, Mrs. E. McCarthy, and Mrs. Sigmund Bukowsky.

Refreshments were served by Miss Myrick and Mrs. Ihlenfeld. Board members of the Maue PTA will meet Wednesday afternoon, May 2.

Orland Boys 4H

William Whiteside, assistant county adviser, and Joseph Enhaus, Public Service, Joliet, were guest speakers at the Orland Boys 4H club meeting Monday evening held in the Maue school.

Mr. Whiteside talked about and showed slides of the various points of interest at the 4H camp Shawanawasee. Mr. Enhaus, Public Service man, well known to this district, gave a demonstration on over loads and the loss of power over long stretches of copper wire. He also distributed electrical activity pamphlets.

During the business meeting which followed, Darrell Erickson was chosen as the club's candidate for 4H king by unanimous decision.

Robert Stoutenour gave a demonstration on ear tagging rabbits and Leslie Yunker gave a talk on his rabbits.

Deep Roots, a Forestry Soil Conservation movie was shown and enjoyed by everyone.

Two new members, Jimmy Haislet and Ronald Sons, were welcomed into the club.

Leaders of the club expressed pleasure at having so many parents attend the meeting. Parents who were present were Mr. Sons, Mr. and Mrs. Matulis, Mr. Kniernem, Mr. Walker, Mr. Bukowski, Mr. Bettenhausen. Parents are always welcome.

Refreshments were served by Michael Trebe and Tommy Kozbiel. —Walter Reeves, club reporter.

Alpine Girls 4H

Marie Meier was chosen by the Alpine Girls 4H club to be their candidate for queen of the 4H fair at the meeting held at Maue school Wednesday evening.

The meeting was opened with the pledge of allegiance, president Sandra Felsch presiding. Routine reports were given. 4H signs were given out. The safe handling of foods was discussed and the health chart was studied. Share the Fun night was discussed and four members, Elaine Yunker, Charmaine Barter, Nora Holz and Kay Maue made reservations for a camp Shaw-wa-nas-see. Plans were made for a picnic, May 5, to be held at Messenger woods. Members will meet at school at 12:30 noon. A picnic committee was appointed, and the club picked their

candidate for queen of the 4H fair.

Talks, demonstrations and musical numbers were as follows: Donna Rector, demonstrated how to make place mats from wall paper; Kay Maue, piano solo; Joan Stellwagen, talk on table manners; Elaine Yunker, demonstrated how to put in a hem; Sandra Felsch, an accordion solo.

A bake sale for the purpose of raising funds for the club, followed. All enjoyed a game suggested by Nancy and Shirley Klepser. The meeting closed with the 4H pledge.

Refreshments were served by Arlene Andresen, Pamela Cripps and Judith Bukowsky.

Farmers have now planted more than two-thirds of Illinois farmland in hestable crops.

Ladybugs are useful to gardeners because they destroy harmful insects.

The speed of the modern ELECTRIC ranges!

25% faster than 5 years ago—

today—nothing cooks faster!

Cooking temperatures unlimited! Kelvinator's new Therma-Action Switches give precise control of any cooking heat. New models are available in 8 colors and white.

See your electric appliance dealer

PUBLIC SERVICE COMPANY

Some of the most remarkable advances in the entire appliance field have been on electric ranges.

For example, new and improved surface cooking units were designed by America's great electric industry research centers. Better and faster ways of transforming electricity into quick heat for cooking have followed. Plus controls that offer a wide range of temperatures that you can depend on to give the same even heat, every time.

But modern electric ranges have more than well-controlled speed. They will keep your kitchen an average of 10 degrees cooler and far more comfortable. And electric broilers give you clean, radiant electric heat that sears the juices in meats. It's like broiling over charcoal, only faster and easier.

Today's electric ranges also keep your kitchen cleaner. (Something worth remembering if you plan to build, buy or remodel your

home.) You will see many more of the "new idea" features in the latest electric ranges. Ask your dealer to show them to you. And while you're there find out just how easy it is to have an automatic electric range in your home.

Big Saving—We Pay Part of Your Range Installation Cost!

Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half.

And you get more than a money saving!

The modern wiring that goes with your installation helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

NEW LENOX

Delores Anderson
Phone 3651

John W. Hanuski, son of John A. Hanuski, Vine st., was graduated from recruit training April 14 at the naval training center at Great Lakes.

Members of the Cardinal 4H club will meet Thursday night, May 3, at the Lions Den.

Mr. and Mrs. Ray Osmus and Miss Beverly have returned to their home at Jackson, Mich., after spending a few days with their daughter Mr. and Mrs. LaVerne Braun and family.

The Second Child Study club will meet tonight, April 26, for their regular meeting in the home of Mrs. Michael Kruck.

Mrs. Robert Schutte will be co-hostess.

The New Lenox Womens club met in the home of Mrs. Alfred Emily April 17. Mrs. Ruby Gougar of Joliet was the assisting hostess. It was voted to send a gift of \$3 to the Cancer fund. Mrs. Madelyn Miller was program chairman. The next meeting to be held May 15 will be at the home of Mrs. Carl Minuth, and Mrs. Walter Phillips as the assisting hostess.

Mrs. Ralph Swanson entertained the members of the First Child Study club April 17. Mrs. Jack Batson was co-hostess. Plans were made for a trip with their children to the Brookfield Zoo in the near future. A panel discussion on children's problems was held. After the meeting a plant exchange was enjoyed. Dessert coffee was served.

Gordon Taylor, Haven avenue, is a patient at Silver Cross hospital where he was removed after a sudden heart attack.

Members of the Girl Scout Neighborhood group met April 16 in the Methodist church. Plans for day camping were discussed for the Brownies and Girl Scouts and for the annual cookie sale of the Girl Scouts to be held April 27 thru May 12. Third grade Brownies, Mrs. William Becker and Mrs. William Knowles, troop 7; Mrs. Wendell Hardy and Mrs. Don Lewison, troop 13, will be the only troops selling the cookies this year.

Miss Claire Ryden, daughter of Mr. and Mrs. Carl Ryden, returned from Silver Cross hospital, April 18, where she had been a medical patient for three weeks following an automobile accident.

Cub Scout Pack 8 will meet tonight, April 26, for their monthly meeting at the Lions Den.

Mrs. William E. Allen opened her home last Thursday afternoon to the members of the Home Bureau Reading club. The hostess led the group discussion on wild flowers native to this area.

Mrs. Ben Martin showed pictures from the book, "Introduction to Nature" by John Kier an. Mrs. Davis Gougar read excerpts from Jens Jensen's book, "Sittings." Refreshments were served by the hostess assisted by her daughter, Mrs. Edward Mooney. The next meeting will be at the home of Mrs. Ben Martin.

Mrs. Bertha Werner underwent major surgery Monday morning in Silver Cross hospital.

Mr. and Mrs. David Bruns spent the weekend at Urbana as guests of Mr. and Mrs. Robert Williams.

Don't forget the 7th grade luncheon today in Haven school starting at 11:30. Barbecue and Fitzer's Frosty is on the menu.

Girl Scout troop 97 with leaders Mrs. John Olson and Mrs. Fred Batkin met April 17 in the Methodist church. Barbara Croes was hostess and served refreshments. A discussion of badges followed and plans were made for Mothers Day. Six girls of the troop registered for established camp this summer. To be held August 12-18, Barbara Gail will be hostess for the next week's meeting.

Brownie troop 89 met April 18 in the home of their leader, Mrs. John Bell. Diane Alexander, president, conducted the meeting. Roll call was taken by Sharon Hoyt, treasurer, collected the dues, and gave their reports.

Mary Lee Cummings, Merry Lee Collatz and Karen Korista from Girl Scout troop 90, visited the troop, and demonstrated the use and care of a jack knife; showed how to build an 'A' type fire, demonstrated square knots and clove hitch and other knots required in tender foot training. The girls did this to complete their first class badges.

At a previous meeting Eleanor Pester, also of troop 90, taught the troop several singing games, to earn her minstrel badge. Members of the 4th grade Brownies troop are: Laura Brown, Janice Sampson, Kathy Glenn, Janice Thompson, Barbara Loebe, Con-

nie Corp, Sally Hoyt, Patsy Peceniak, Diane Alexander, Jackie Bell and Sharon Klaus. Mrs. Warren Hair is co-leader. Members of the troop will fly up to Girl Scouting Wednesday, May 17, at a ceremony to which the above girls have been invited.

Three grass fires put out this week by the New Lenox Volunteer Fire department were, at North Cooper street, South Cedar road and back of the Oakview school.

Members of the VFW post 9545 will meet Thursday night, May 3 at the fire station.

Mr. and Mrs. Ray Osmus of Jackson, Mich. came to Chicago April 18 to meet their daughter, Miss Beverly Osmus, who has been making her home in Alameda, Calif. Together they spent a few days with their other daughter, Mr. and Mrs. LaVerne Braun and family. Miss Osmus returned to Jackson with her parents where she will spend the summer before returning again to Calif.

The Friendly Neighbors club met April 17 at the home of Mrs. Kay Gougar, for a one o'clock luncheon. Mrs. Maude Hanneys presided over the business meeting, after which luncheon was served. Prizes were awarded to the Mesdames Lillian Cvelbar, Maude Hanneys, Elsie Carter, Malinda Camden, Wilma Baldwin, and Ruby Pave. In place of the next meeting, the group will enjoy a trip to Hagers pottery at Dundee May 3.

Mrs. Nell Lawrence of Moberly, Mo., is a guest this week of Mr. and Mrs. Sam Carr and family.

Cars will leave the local drug store at 9:30 a.m. Thursday morning May 3, taking the members of the New Lenox Garden club to Elgin where they will tour the botanical gardens, and also visit the Sebac greenhouse.

The village board will meet Wednesday night, May 2 at the Fire station for their regular monthly meeting.

Mr. and Mrs. Charles Kerr and family had as their guests Sunday, the Rev. and Mrs. John Stafford and children, Ferris, Beth, Jean and Wesley of Mendota, Ill.

Carol Crouse, daughter of Mr. and Mrs. Merrill Crouse, and a sophomore in the Lincoln-Way high school, returned to Billings hospital last weekend for further treatment for an eye condition. She had recently returned home from the hospital where she was under treatment for the eye.

On April 24, 25 and 26 the graduating classes of St. Jude's and St. Mary's, Mokena, will make a spiritual retreat at St. Mary's. An experienced retreat master, Fr. Servace Rutter, OFM who conducted a mission at St. Jude's in 1944, will give the retreat. Fr. Servace also gives weekend retreats for men at St. Francis Retreat House in Hinsdale. 12 instructions, stations of the cross, rosary, other prayers and benediction will comprise the three day schedule.

8 p.m. Evening service
Monday 7:30 pm. Youth Fellowship
Tuesdays 2 p.m. Cottage Prayer meeting.

Farmers' Outlook Told by Expert

by L. H. Simerl
Dept. of Agriculture Economics

The price of soybeans has gone up about one-third since harvest time. This increase is much larger than average, and recent prices have been well above those of a year ago. New forces could carry prices still higher, but a high market has a long way to fall.

The 1955 soybean crop was the largest on record. At 371 million bushels it topped the record 1954 crop by 9 percent. At the same time the production of cottonseed, which competes with soybeans, was larger than average.

For a time last summer it appeared that most of the 1955 crop soybeans might sell at around \$2 a bushel. Fortunately for soybean producers, three things combined first to support and then to lift prices:

1. There were no large surplus stocks of soybeans. (There were no surplus stocks because price supports had been kept in line with, rather than far above, actual market value.)

2. The 1955 crop, though a new record, was not quite so large as had seemed likely around August 1.

3. Production of edible vegetable oils in other countries fell below needs, and foreign buyers bought record amounts of U.S. soybeans and soybean oil.

From July through February, 55 million bushels of soybeans were exported, 40 percent more than the year before. Foreign buyers also took soybean oil from an additional 20 million bushels of beans, compared with less than 3 million one year earlier.

The price of soybean oil, which dropped to 10 to 11 cents a pound at harvest time, was recently up to nearly 15 cents. This 4 to 5 cent a pound increase for oil added 45 to 50 cents a bushel to the value of beans.

Oil prices have recently been 2½ to 3 cents a pound higher than they were a year earlier. Some market observers think that oil prices may have made their top for this season.

Soybean values have received

no boost from the market for soybean meal. Prices have recently been about 10 percent lower than those of last October and 20 percent lower than a year ago. Meal prices may yet rise, but advances are less common during the summer than during the late winter and spring.

No shortage of soybeans is expected. The large rise in price seems to have cooled off foreign demand for our soybeans. We still have enough beans on hand to meet expected export demands and to keep our own mills running at record rates until the new crop comes in. Expected rates of use would leave only a very moderate carry over next October 1.

Farmers plan to plant 11 percent more land to soybeans this year than they planted in 1955, according to a survey and report by the USDA. About half of this increase would be in Minnesota and Iowa. The intended acreage for Minnesota, 2.8 million, is 18 percent more than last year. Iowa farmers plan to plant 2.7 million acres, 26 percent more. Intended acreage in Illinois is 4.7 million, or 6 percent more than in 1955.

Total indicated acreage of soy beans for the U. S. is 21.8 million. With normal per acre yields about 21 bushels, and usual abandonment and use for hay, soybean production this year should be around 430 million bushels. This would be 16 percent more than the 1954 crop.

State of Illinois
County of Cook
Town of Bremen Office of the Supervisor
Ex-Officio Treasurer of Road & Bridges
The following is a statement by James W. Jesk, Ex-Officio Treasurer of the Road and Bridge Fund of the Township of Bremen, the County of Cook and State of Illinois, of the amount of Public Funds received and expended by him during the Fiscal Year just closed, ending on the Twenty-Sixth day of March 1956, showing the amount of Public Funds on hand at the commencement of said Fiscal Year, and the amount of Public Funds received and from what sources received, the amount of Public Funds expended and for what purposes expended, during the Fiscal Year ending as aforesaid.

The said James W. Jesk, being duly sworn doth depose and say, that the following statement by him is a correct statement of the amount of Public Funds on hand at the commencement of the Fiscal Year above stated, the amount of Public Funds received and the sources for which received, and the amount expended and for what purposes expended, as set forth in said statement.

JAMES W. JESK
Ex-Officio Treasurer of Road and Bridge Fund
Subscribed and sworn to before me this
Twenty-Sixth day of March A.D. 1956
Ines Fent, Notary Public
